Welcome back to term four everyone. I hope children are well rested and ready for the last term of the school year. I thoroughly enjoyed my holiday with family in Scotland but am very happy to be back with the school community at Mulgrave Primary. The school is looking fantastic. Thanks to those involved in establishing our recent new garden beds. We will continue with our beautification program and complete some other areas this term.

A huge thank you is extended to Mr. Stuart Hattwell who performed the Principal role while I was on holiday. Stuart has done an excellent job and has been able to gain new experiences and challenges in the many facets of the role during this time.

Term four tends to be one of the busiest and quickest terms of the school year. We will be finalising our new Prep student enrolments for 2016 and farewelling our year 6 students as they move on to the next phase of their education. To assist us with our planning for 2016, we encourage parents to inform us if they intend to transfer out of the school for any reason. We are aware of a couple of families who will be moving house out of the area and out of Australia. Our enrolment growth over the past seven years has been steady and will continue in 2016. It’s important that we are able to plan the school structure for next year as accurately as we can, to ensure a smooth start to the school year in January 2016.

Listed below are some dates for next year that you may like to have –

2016 Victorian School Term Dates (correct at time of publication)
Term One – Thursday 28th January to Thursday 24th March
Term Two – Monday 11th April to Friday 24th June
Term Three – Monday 11th July to Friday 16th September
Term Four – Monday 3rd October to Tuesday 20th December

Public Holidays
Labour Day – Monday 7th March
ANZAC Day – Monday 25th April
Queen’s Birthday holiday – Monday 13th June
Melbourne Cup Day – Tuesday 1st November

***School Curriculum days have not yet been set. The first date is Wednesday 27th January when only teachers attend school. A further 3 dates will be set based on the school and professional needs of teachers and Department of Education priorities and initiatives.

VICTORIA – THE EDUCATION STATE - There have been some recent government initiatives announced which are intended to improve student access to the best educational opportunities possible. At the end of September, the Victorian government made a commitment to establishing Victoria as the ‘Education State’. This ‘public guarantee’ intends to improve outcomes for every student, in every classroom, in every school and in all communities. Included in the framework recently launched, are new targets relating to literacy, numeracy and scientific literacy and extend also to cover excellence in the arts, critical and creative thinking, physical activity and resilience, as well as more adequately supporting disadvantaged students. There is an undertaking to provide more support for schools and strengthened regional support for Principals and teaching staff. The school funding model has been
revised and many schools, particularly secondary colleges, have attracted a substantial increase in their budget to support students who are behind their peer group educationally. Mulgrave Primary School will receive a moderate amount of additional funding only, similar to our current budget. School Principals have been requested to attend a series of briefings in the next couple of weeks to provide us with more information on the new framework for next year. Parents are invited to read much more about The Education State and funding by visiting www.education.vic.edu.au.

HATS HATS HATS - Parents are reminded that hats are compulsory for all students in terms one and four in line with our Sunsmart Policy. Please assist us in keeping children protected by ensuring that your child has a ‘named’ hat at school each day.

  Tips for you when preparing lunches for children -

Be creative!
A healthy lunch keeps active kids alert and focused and gives them the nutrition they need every day. But no matter how healthy your child’s lunch box is, it won’t provide any nutritional value if it doesn’t get eaten!
Choose from a variety of food types: fruit and vegetables, starchy food, protein and dairy - What to put in the lunch box.
Don't forget the WATER!

### Tip of the Week

**How do I add or update a photo of my child on the Qkr! app?**

If you wish to add a photo of your child or if you have previously added a photo of your child and now wish to replace it with a different photo:

1. Sign into your Qkr!™ account and select any school menu
2. You will see a screen displaying your child's details and asking you to 'Select a Child'. Tap on the icon on the top right of your screen (three vertical dots on Android devices or a box with an arrow on Apple devices)
3. Tap 'Manage Children'
4. Tap the child whose details you wish to edit
5. You can either select an existing photo from the gallery then tap DONE, or take a photo on your phone then tap DONE.
6. Tap the ‘Done’ button (Apple devices) or ‘tick’ icon (Android devices) on the top right of your screen to save changes
Loud Shirt Day is a positive fundraising campaign that will help the First Voice Centres give deaf children sound and speech. Our support will open doors to better educate hearing impaired children, improve social integration with the hearing world and the chance to contribute to their community.

On Friday 16th October, students are invited to wear their loudest shirt. It could be stripes, florals, polka dots or paisley pattern, as long as your clothes have colour and pizzazz, it will be perfect for Loud Shirt Day.

A one dollar donation is required on the day.
