Open Night

Tuesday night was another great success with an enormous turn out. The support our families show for our student events is always greatly appreciated by the students themselves and we as a staff acknowledge the sacrifices that parents make to help build the home-school relationship. On the night, our students were able to lead their parents through a range of activities that you may see in the classroom on any given day. As you will have noted, school is a far more interactive place than it was in our day, where work sheets were the order of the day. The facts are that worksheets can sometimes support student learning, if they are directed to a child's point of need. Sometimes, a worksheet can also be handy to reinforce concepts taught during the week, but we prefer using our online tools, as they can be far more specific in terms of what we want students to work on. Getting back to the Open Night, it was great to be able to chat with so many parents and students throughout the evening. Listening to what you want out of our school is an important part of our continuous improvement, so please, keep the feedback coming. I would also like to thank all of our teachers for going the extra mile and particularly Mr. Stokes and the events team for their efforts in organising the night.

NAPLAN Online

Most parents would be aware of the connectivity issues that occurred last week during the NAPLAN writing assessment. It is my view that although some of our Year 5's were able to complete the test, all were affected by the constant interruptions to others. A testing environment needs to be as calm and quiet as possible and we certainly were not able to provide those conditions due to the need for tech support in the middle of the assessment. We immediately contacted the VCAA to register our dissatisfaction. Unfortunately, the data from this test will not be reliable. Year 5 students have the option of a make-up test next Tuesday and can opt out if they would prefer not to re-sit the test. Please contact Mr. Rosewall, Ms Truesdale or myself if you would like to opt out.

Out of School Hours Care

School Council has recently been reviewing the Out of School Hours program offered at MPS. Parents have raised legitimate concerns over the rising costs of the program and we have taken on board that feedback. As a result, last week School Council voted to change providers and last Friday we notified Extend that we would not be continuing with their service next term. Instead, we welcome Camp Australia to Mulgrave Primary School. As part of the new agreement, fees have been slashed by as much as 30% before rebates. The table below outlines the new fee structure as of July 15th 2019. In the coming weeks, Camp Australia will begin to promote their service and contact MPS families. We strongly encourage you to look at the new structure, as the fee reduction can save families thousands of dollars each year. In addition, Camp Australia offer a 24 hour phone service where you can speak to a person who can help you with any queries you may have, plus they will be providing a new online booking service (and app) to make it easier to make a booking. More information will soon follow, with Camp Australia sending out new program details to families.

Service	Operating Hours	Permanent Fees	Casual Fees
Before School Care	7.00am - 9.00am	\$ 18.00	\$ 20.50
After School Care	3.30pm - 6.00pm	\$ 23.00	\$ 25.50
Holiday Club	7.00am - 6.00pm	\$ 55.00	\$ 55.00

Stadium Update

On Monday afternoon, a week after we were supposed to go to tender, the VSBA confirmed that they were delaying the process so that our project could be tendered with others. We are being told that the tender period will commence shortly, but we do not have an official time line. Hopefully the tender will go ahead soon and we will still be able to break ground in July, with a view to the project being completed for Term 3 2020. Hopefully families enjoyed the images of the new stadium that were on display during the Open Night. As soon as the tender goes out, we will share them online with the school community.

Election BBQ- Thanks for your support

Thank you to the parents and staff who attended and supported our Election Day BBQ on Saturday. The small but very hard working group of parents and staff worked solidly from 7am until 4pm, and raised a handy sum that will go towards the new playground. Many thanks also to the following staff and parents who helped on the day, Andrew Tonkin, Petra Tonkin, Doug Oakes, Amanda Diakomanolis, Kate Hattwell, Stuart Hattwell, Stacey Gibbs, Lisa Miles, Daniela McCole, Sharon Adams, Sharon Gravell, Steph Buggy, Katrina Weir, Kelly Tivendale, Anne McNee, Lucy M and Nermin Hendy, and not to mention Lucy Meszaros for her organisation and Holly Oakes who gave up her entire day.

ENROLMENTS FOR 2020/2021

Enrolments have filled incredibly quickly for 2020 and we are nearing capacity. At this stage, any further enrolments from families from outside of the area will be confirmed by September 1st, except for those with a sibling claim who will be confirmed immediately. Any families who are intending to enrol for 2020 are encouraged to do so as early as possible so that we can begin planning for 2020.

Principals Message Continued:

ENROLMENTS FOR 2020/2021 Cont.

If you have friends or neighbours who are looking at enrolling their child in a school for 2020 please encourage them to visit us for a tour of the school. Given the extremely high demand, we are already taking requests for enrolment for 2021. At this point in time, the school is reviewing our enrolment policy and procedures. It is likely that a new system will be initiated whereby enrolments will need to be lodged by the end of Term 2 and confirmation of places provided in early Term 3. This will enable us to prioritise families from within our catchment and those with sibling claims.

Year 6-7 Transition Timeline: Key Dates

Friday 17th May 2019	Application for Year 7 Placement forms to be returned to ARPS by this date.
Wednesday 7th August 2019	Primary Schools notify parent and carers of Year 6 placement offers, in writing.

Please fully fill the sheets and if needed start a new one, extra sheets are available from the reception area.

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Mulgrave Primary School is excited to be participating.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6 September 2019.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc

Please download the attached pdf form that is on our schools Flexibuzz news feed, or pick up a form from the office area to sign up, then return to the school.

You will receive your login details and password as soon as we have all interested people registered, via your child's school mail boxes.

Production News

Dear parents and families,

With our production rehearsals well on the way, we will be putting the call out for help over the next few weeks. First up, we are planning our amazing costumes. There are a lot to make so we are seeking assistance from our wonderful Mulgrave community. A costume area is being set up in the BER. If you are able to donate some time - whether you have sewing skills or not - we would really appreciate your help. Jobs for costuming include:

- ◆ **Supervising Parent**
(who will help co-ordinate costuming requirements)
- ◆ **Checking student sizes**
- ◆ **Cutting material**
- ◆ **Sewing**
- ◆ **Finishing touches**
- ◆ **Sourcing clothing (op shops, Kmart etc.)**
- ◆ **Costume fittings**

*Other costume-related jobs may also pop up. If you are able to assist in any way, please sign up via: <https://signup.com/go/EuxyzDf>

- ◆ Erica Shaw will be the contact teacher for costuming and enquiries can be emailed to her at shaw.eric.a.edumail.vic.gov.au. All helpers will require a current Working With Children Check.
- ◆ There will be a call-out for helpers for other things in the near future.

**THANK YOU IN ADVANCE FOR YOUR HELP.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about the CSEF visit
www.education.vic.gov.au/csef

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools in 2019 or you did not apply in 2018.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019.

Check with the school office if you are unsure.

Applications must be submitted by June 21st

EXTEND UPDATE.

The Extend Superstar is... Ella for creatively designing her pictures, Well done Ella keep up the good work!

What's Been Happening?

I believe that Mothers were spoilt rotten on Mother's Day with gifts and lots of special care and love. I'd like to say Thank you to all the mums who had joined us for the Mothers' day Breakfast on Thursday morning to celebrate this very special occasion with us!

Over the past weeks, the Highlight of our program was our Aboriginal Ocean art. This activity has given children an opportunity to connect with native art. The children creatively designed their pictures that are now displayed on our art wall and they look awesome. Another high light of the program was our science experiment Snake Bubble. Everyone joined in loved exploring this cool science activity and they loved blowing snake bubbles. We extended this activity with bouncy bubbles, it was really tricky to bounce them. Our master chefs have been very active and very busy. They made yummy dumplings with fresh vegetables, Bruschetta with fresh toppings, Rice paper vegetable rolls and they also made scones, chocolate cakes, pan cakes, Choc chip cookies for Mother's day breakfast.

Our enrichment program Auslan, is progressing really well. The children are showing a lot of interest in learning Auslan and extending their vocabulary. Many children are now able to sign the alphabet.

Apart from all these fantastic activities we loved making chatterboxes, painting snow balls, building, board games and also enjoyed physical activities, such as: Kick ball, Parachute game, Octopus, ship shark shore, poison ball, all the horses run, ball figgy, Mr. woof and much more fun.

Kind Regards

Meena

We can't wait for this Workshop and look forward to seeing you!

Making Sense of the Senses: Understanding Sensory Integration

Does your child have trouble sitting still? Put non-edible objects in their mouth? Fidget? Make noise for noise sake? Take excessive risks in play? Have melt downs over small things like noises and clothes tags? Have fussy eating patterns? Have trouble with sleep? Struggle with social skills? Have difficulties with coordination? Have auditory processing difficulties? If you have answered yes to any of these questions it is likely your child has sensory processing challenges.

Paediatric Occupational Therapist, Hannah Gamble will explain how the sensory system works and what the developmental and behavioural implications are when your child is not processing sensory input well. You will hear how to maximize your children's ability to learn at preschool and primary school.
