Looking Ahead

The year is ending with considerable public media debate about education, generated largely by the release of the Program for International Student Assessment (PISA) test results. As is so often the case, nearly all the commentary was at the national rather than the state level, which is a pity, because it has overshadowed the outstanding NAPLAN results of Victorian primary schools this year.

As another successful year at Mulgrave Primary School draws to a close with continuing above-state academic achievement data I would again like to acknowledge the wonderful contributions made by parents and staff across the school in many varied ways. It is only with this effort and sense of community that MPS continues to be the outstanding learning community it is. In terms of results, our Year 3 and Year 5 students continue to raise the bar in NAPLAN. In 2019, the percentage of students who achieved results in the top two bands of NAPLAN was outstanding. Our Year 3's have produced some simply staggering results of recent years and 2019 was no less exceptional, with 70% of our students reaching the top two bands in both Reading and Numeracy, as compared to the state averages of 57% and 44% respectively. In Year 5, we again comfortably outperformed the state average, with 46% of students achieving results in the top two bands in both Reading and Numeracy, as compared to the state averages of 40% for Reading and 32% for Numeracy. Our goal is to ensure that all of our students are achieving their best possible outcomes and we have already started working towards 2020, with your children's new teachers already briefed on each child's point of need for the start of next year. Early in the new school year, we will offer our Getting to Know You Interviews, where parents and students can discuss their goals for the year ahead.

Jasmine S - Cancer Council Pony Tail Foundation

The Cancer Council Pony Tail Foundation supports those suffering from cancer by using real hair to make wigs for patients who have lost their own. The fundraising effort has helped improve research into cancer and has increased survival rates. Jas' campaign raised \$2614!! Her hair was tied up at 26cm and cut off at 27cm.

Congratulations to Jasmine.

Thank you to Gordana Cirjanic for doing the official cutting at assembly last Friday.

Admin Officer: Christine Miller

Business Manager: Suzy Shaw

Assistant Principals: Stuart Hattwell & Tom Boyle

Principal: Charles Spicer

Acknowledgements:

I would like to also take this opportunity to congratulate Tom Boyle on his promotion to acting Assistant Principal. Whilst the school continues to grow and whilst we wait for our newest facilities to be completed, Tom will step into a full time curriculum leadership role with the aim of supporting all teachers to improve their practice and meet every child's point of need. As we work towards achieving significant student learning growth each year, we will be able to ensure consistency of practice through this new role. Stuart Hattwell and I will continue in our current roles. In addition, we welcome Beth Pope to the team for 2020. Having seen Beth's work under the guidance of Erica Shaw this year, we welcome her with great confidence and I'm sure she will prove to be a valuable addition to our team. Of course, each year sees some departures as well and we wish Tania Lavcanski all the best as she returns to study and takes on a part time role at Lyndhurst. We also wish Marija Kusturic every success as she moves to Hawthorn West to take on a new challenge. Finally, Liz Hodder will also be leaving us, as she begins her career as a EAL teacher. We wish all of our departing staff members a bright future.

The Year that Was:

2019 was certainly a year of change for MPS. Throughout the year we introduced a new OSHC provider, contracts were finalised on the new stadium and construction begun, our musical Down the Pipe was a brilliant event and through it all, we developed our own capacity as a teaching staff to deliver improved outcomes for your children. In addition there were all of the excursions, new uniforms, an amazing trivia night, the completion of the new inclusive playground and over January, the new adventure playground. There were reading, writing and numeracy initiatives, state soccer finals, athletics, the House carnival, student voice initiatives, the 5/6 Covered Outdoor Learning Area, Open Night, tennis clinics, Harmony Day, Young Leaders day, Rhyme Rockets, Step into Prep, Market Day, Footy Colours Day, the Colour Fun Run, the swimming program and the transition program, to name some of the activities of 2019. At MPS we seek to provide a broad range of opportunities to our students so that they can be exposed to the wider world. At the same time, we keep our eyes firmly on literacy and numeracy as our core business and hopefully provide a great balance for your children.

Carols Night

It was great to see so many family and friends at our Christmas Carols on Tuesday evening. The singing was magnificent and it was wonderful to see so many students, parents, families and teachers enjoying such a special night. We would like to thank the Mulgrave Parents Association and the parent volunteers who assisted with the BBQ on the night. It was a great way to celebrate such a successful year at the school.

School Council – Thank You

I would like to express my sincere thanks to our School Council members for their commitment to our school. The time and effort dedicated to this role often goes unrecognised and whilst rewarding, can also be challenging. At MPS, we are fortunate to have an outstanding group of people led superbly by our School Council President, Mr Ed Meszaros.

Each of our councillors have performed a very important role to support our school purpose and in doing so has made an extremely valuable contribution to the educational outcomes of each of our students. The broad scope of work by School Council this year has included:

- communicating the broad direction and vision of the school within our community
- approving the annual budget and monitoring expenditure
- acquiring feedback from the school community to inform decision making
- developing, reviewing and updating school policies
- overseeing the maintenance of the school's grounds and facilities
- establishing further funding to complete our building works
- reporting annually to the school community and to the DET
- creating interest in our school in the wider community
- enhancing communication within our school community
- outsourcing the Out of School Hours Care Program to Camp Australia
- working through policies and ensuring we are strictly adhering to its principles

Thank you to our 2019 School Councillors:

Parent members:

Mel Collard, Don Corcoran (Treasurer), Andrew Long, Jess Mann, Ed Meszaros (President), Anne McNee, Stephanie Perri-Kelsall, Petra Tonkin (Vice President)

Staff representatives: *Tom Boyle, Stuart Hattwell, Suzy Shaw*

Farewell to the Class of 2019!

Our 2019 Year 6 students are now in their final week of primary school next week. It is an exciting time for any young person to move from the sanctuary of their primary school and take the challenge of entering secondary school. We would like to wish them all a very fond farewell from Mulgrave PS. We know our school has provided these students with the skills and confidence to take on any challenge they face in the coming years. I would also like to farewell all of the families that are departing MPS for a variety of reasons. We hope that wherever you go you will remain Motivated, Persistent and ultimately Successful.

Final 2019 Assembly

Our final assembly will be held on Friday, 20th December from 1pm – 1:30pm when we say farewell to our Year 6 students and other staff and students who will not be returning to Mulgrave PS in 2020. At this assembly the Year 6 students will sing their graduation song and we will re-present all of the Year 6 end of year awards that were awarded at Graduation on Monday night. We look forward to this very special assembly. At the end of the assembly, the Year 6 students will be dismissed first, followed by the remainder of the student cohort. All students will be dismissed from the hall. Students must be collected by parents and guardians by 1.45pm. Teachers will be on Yard Duty until 1.45pm. The Camp Australia Out of School Hours Care Program will commence from 1.30pm on this day.

Dates for 2020

Please note the following dates for your diary for the start of 2020.

Holiday Works

Apart from the obvious stadium construction, we will be undertaking a full upgrade of our fire services, some painting maintenance, cleaning and the construction of the new playground. When we come back in late January, we hope that you will see the benefits of these works.

Have a wonderful holiday!

We would like to wish all students, parents and staff a wonderful Christmas and holiday season with their families. We would like to thank everyone who works so hard to make Mulgrave Primary School the community hub that it is. Through a shared partnership between home and school, we are seeing continual improvement in not only the learning outcomes of our students, but the overall resources of MPS. I look forward to continuing these partnerships in 2020, as we work hard to ensure Mulgrave Primary School provides every child with the best possible learning outcomes in the future.

If you and your family use our school grounds during the holidays and see any suspicious activity, please call DET Emergency Management - 9589 6266 or Glen Waverley Police 9566 1555 or 000.

Charles Spicer

Principal

Merry Christmas!

WOW what a fantastic year we have had this year, so many events and activities to support or kids in their learning journeys.

It feels like I am always saying THANK YOU but as the saying goes it takes a village to raise a child, or many hands to sort book club, deliver pies or pizza, pack glow stick orders, host gift stalls, count raffle tickets, organise trivia nights and turn sausages! All of the events/ activities this year would not be possible without people jumping in and offering help, so I need to say one more time to everyone who helped or supported the PFA events.....

COMING IN 2020

The PFA have already started planning next year and will be starting with a welcome BBQ for all the new Prep families. Other events will include, outdoor cinema, special food days, an adults fun Bingo evening, book fairs, clothes recycling and more...

We will advertise meetings and welcome all to come along.

Until next year we wish all our Mulgrave Primary families a very Merry Christmas and a safe and happy holiday.

Thanks *Mel & Lucy*

Whatever doesn't get collected by the end of tomorrow will be donated to a local charity.

Sick Bay Linen Term 1 - 2020

Term 1 - 2020 - We are once again looking for parent helpers to volunteer changing the sick bay bed linen. Depending upon the number of volunteers, you would only be required once possibly twice a term, if possible. Parents usually change the bed linen on a Friday, remake the bed with fresh linen we have here, take home to wash and return it to school during the next week. You will receive an email notification from signup as a reminder to change the linen. If you are able to help out by changing the linen, please sign up via the link. All assistance is greatly appreciated!

Soft Plastic's Pick up and Drop off Term 1 - 2020

Dear families,

Term 1 - 2020 MPS are continuing to be apart of the clean up for the environment. By separating our waste into compost, hard recyclables, paper/cardboard, soft recyclables and rubbish. At a school level, we can drastically reduce the amount of waste going to landfill and teach students good habits and the importance of sustainability!

As part of the process, we are seeking volunteers willing to collect a big bag of the school's soft plastics for that week on a Friday afternoon and take it to their local RedCycle drop off point at either Coles or Woolworths.

Hopefully we will have enough interested people so that you would only need to do it once a term or semester.

Pick up from Mr. Boyles room 4W.

Warm regards,

Lucy Truesdale and Tom Boyle

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about the CSEF visit
www.education.vic.gov.au/csef

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

If you applied for the CSEF at your child's school in 2019, you do not need to complete an application form in 2020 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools in 2020 or you did not apply in 2019.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2020.

Check with the school office if you are unsure.

If you would like a CSEF form or have any questions about it, please come and ask us at the office.

4 Ways to Make Holidays Better for Kids

It's easy for children to be smitten with the magic of the holidays. Fun presents. Extra sweets. A vacation from school—there's a lot to like. But with the freedom and excess of the season, sometimes kids can get a [little carried away](#). For most families, there will be a point when the kids get overtired and cranky, or greedy about presents, or would [rather play a video game](#) than talk to Grandma. Here are some tips to keep kids happy and ready to enjoy whatever the season brings.

1. Gifts, gifts, gifts: Getting presents is a high point of the holidays for any kid, but they shouldn't be the only focus. As adults we know that giving presents can be just as rewarding as getting them, and we shouldn't wait to [teach that lesson to our children](#). Even when kids are too young to buy a present, they can still make one, or help you pick out something. Some of my best holiday memories are of helping my father look for the perfect gift for Mom, or combing the mall to look for presents with my siblings as we got older. Volunteering, participating in a local toy drive, or giving each of your kids a little money to give to a charity of their choice are all great ideas for getting children in a more generous mood.

Also, remember that the [best gifts](#) that you give your children probably won't be the material ones. Taking time for the whole family to get together to play a game, watch a movie, or decorate sugar cookies—these are the things that kids remember as they get older.

2. Let them help out: There's a lot of extra work to do around the holidays — putting up decorations, cooking big dinners, throwing parties. The Martha Stewart in all of us can take over, but it's important to take a step back and make sure our kids are included, too. Children can help set the table, decorate the house, and wrap presents. If they're too young to wrap, they can help by holding down the paper or getting the tape ready — there's always something kids can do. And at holiday time, the preparations are often as fun and as meaningful as the end product. Plus, this way kids won't feel left out — or be glued to the iPad for hours.

3. Keep routines: We love the holidays because they give us a break from the everyday, but that can also make them stressful, especially for kids who find routine comforting. Try to keep some things constant. Kids still need snack time, they still need special attention from you, and they still need a chance to unwind before [bedtime](#).

At [family gatherings](#) when they notice the kids are “getting antsy,” psychologist Rachel Busman says she and her sister give them their baths, get them into pyjamas, and turn on a movie. “We know when they need to wind down, and no one judges us for excusing ourselves from the table to do these things,” she says. “In fact, my sister and I enjoy some great conversations during this time.”

4. Remember they're kids: Some holiday traditions depend on kids being on their best behaviour: [lengthy services, parties with lots of strangers, elaborate meals](#) that may not appeal to [picky eaters](#). Try to keep those to a minimum and customize festivities for your kids' frustration level. Don't schedule more than one demanding event in a day, and make sure to include physical activity and plenty of downtime. Your kids will be grateful — and so will you.

Dear Families,

Congratulations to all Year 6 students

Hats off to you Graduates! On behalf of MGPS Outside School Hours Care Team, we would like to give a huge congratulations to Ved, Harley, Anna, Victoria and Anastasia and all the Year 6 students who have graduated!

Being a Year 6 student in Before and After School Care is very special. We want to say a big thank you for showing great leadership to the younger students in the Camp Australia family, we are proud to have been part of your primary years and watched you learn skills that you will have with you through life.

We appreciate the time and trust you have shared with us. We will treasure every memory and lessons we learned and shared together.

We also wish all our families a Merry Christmas and a very Happy New Year 2020. We hope to see you all in year 2021!

Kind Regards

Meena

Summer Holiday Club

Bookings for 2020
OSHC now open!

Can you believe there is only one week until school holidays?

Holiday Club is all about helping your children on their path to self-discover. January the 6th Summer Holiday Club begins, and our MASSIVE program includes activities to help your children discover themselves.

Whether it's letting out their inner athlete while running, jumping and dancing their way through the holidays, or cooking up a storm as they learn how to prepare a range of healthy recipes. Maybe they'll discover their inner scientist or artist while taking part in one of our fun-packed workshops.

What will your child be these holidays?

A Scientist?

An Athlete?

An Artist?

A Chef?

With a wealth of learning opportunities embedded in our challenging projects and engaging adventures, we'll find their passions, engage them, and excite them. Have a chat with our friendly Coordinator to find out more about the upcoming Holiday Club program at your school.

Book now. To find out when these activities are on during the school holidays and to find your nearest service, visit: www.campastralia.com.au/holidayclubs

Computer Programming Club

In a world where technology touches every aspect of our lives, it is crucial that our children understand how it works. To accomplish this objective, there is an exciting Computer Programming club running at the school.

The aim of the club is to provide students with exposure to the fundamentals of computer science concepts. Run by external consultants from Digimaker, this program will:

- Build games, animations, stories utilizing pupil's creative thinking
- Develop logical thinking and problem-solving skills
- Express ideas & boost confidence working in a collaborative environment
- Enable the grasp of computational thinking which combines math and logic

For details on the course, visit <http://www.digimaker.com.au/courses/>

The club will run for 8 to 10 weeks each term (depending on the length of the term) and is charged on a per-term basis. Students work on school laptop during the session.

Program for Term 1 2020 is as follows:

Room : Library
