The Year That Was

If you're anything like me, in equal measure you can't believe the year is almost over and thankful that we can hopefully put lockdowns and restrictions behind us. 2021 has been a big year for us all and not always for the best of reasons. That said, the school has undertaken our four yearly review throughout this time and will send a draft version of our 2022 Annual Implementation Plan home next week. We have again tackled remote learning and our students and families were enormous throughout, with their overall positive attitude to schooling and their understanding of the fact that every school's circumstances are different and ultimate trust in the way in which we delivered teaching and learning to your children.

Unfortunately we missed out on some big events, but the critical elements were catered to and as I finalise the proof reading of reports, it would appear that our students are generally tracking well with their learning. This is an enormous credit to our students, their families and their teachers.

Looking Ahead

Over the last 5 years, MPS has undertaken significant change and the next 4 years will hopefully allow us to embed these changes and work towards making sure that all of our students finish their time at MPS at least 12 months ahead of the expected level. This is always our goal and we want to ensure that our students enter high school knowing they are capable and confident in their abilities to create a successful future for themselves. In the coming years, we will build upon our curriculum platforms with a view to enhancing the way we teach and how our students learn. The key focus will be around a consistent approach to literacy, numeracy and student agency.

As a school we will continue to improve and further develop our reporting processes to harness what we learned through remote learning, and providing parents and students with more regular feedback throughout the term, as we have begun to do in 2021. Hopefully this timely feedback will help parents to support their child's learning at home and we can continue to build the home-school partnership.

Our goal remains to ensure that all of our students are achieving their best possible outcomes and we have already started working towards 2022, with your children's new teachers already briefed on each child's point of need for the start of next year. Early in the new school year, we will offer our Getting to Know You Interviews, where parents and students can discuss their goals for the year ahead. Given the success of Zoom interviews, we will continue to offer both an online and an in person option next year.

In early 2022, we will construct a new shade structure outside the portables nearest Gladeswood Reserve, we hope to air condition the performing arts area of the new stadium and we will continue to lobby our local MP and the Department to refurbish the old hall into a new library and STEM centre. We are also hopeful of working on some other improvements around the school, but more on that in 2022.

Acknowledgements:

I would like to also take this opportunity to thank Ben Rosewall & Hannah Brown for their contributions to MPS. Ben & Hannah have picked up a new roles at schools much closer to home and we wish them all the best for the future. In addition, we welcome Jordan Geer and Pilar Caivano to the team for 2022. Jordan is already well known around MPS, after having completed his training under Mr. Rosewall. Jordan has already dived straight in, joining the Year 6's on their recent excursion and working with 6J over the transition program. Pilar is also looking forward to her new role and has visited a couple of times in preparation. I'm sure the Spanish program will be in good hands.

School Council – Thank You

I would like to express my sincere thanks to our School Council members for their commitment to our school. The time and effort dedicated to this role often goes unrecognised and whilst rewarding, can also be challenging. At MPS, we are fortunate to have an outstanding group of people led superbly by our School Council President, Mr Ed Meszaros.

Each of our councillors have performed a very important role to support our school purpose and in doing so has made an extremely valuable contribution to the educational outcomes of each of our students.

The broad scope of work by School Council this year has included:

- Participating and contributing to the 4 yearly school review.
- communicating the broad direction and vision of the school within our community
- approving the annual budget and monitoring expenditure
- acquiring feedback from the school community to inform decision making
- developing, reviewing and updating school policies
- overseeing the maintenance of the school's grounds and facilities
- reporting annually to the school community and to the DET
- creating interest in our school in the wider community
- enhancing communication within our school community
- outsourcing the Out of School Hours Care Program to Camp Australia
- working through policies and ensuring we are strictly adhering to its principles

Thank you to our 2020 School Councillors

Parent members:

Mel Collard (Vice President), Don Corcoran (Treasurer), Jonathan Heyde, Ed Meszaros (President), Anne McNee, Margaret Perdreau, Saden Zahiri and Jim Zelener

Staff representatives: Tom Boyle, Stuart Hattwell, Suzy Shaw

Staff Thank You

We have a wonderful staff team who are united in our approach to planning, teaching and learning. This consistency of practice ensures that all students are being catered to at their individual point of need. The MPS team are a brilliant group of teachers who consistently put the needs of our students at the centre of what we do. Their efforts over the last two years have been enormous and they are certainly due for a well-earned break.

Farewell to the Class of 2021!

Our 2021 Year 6 students have just over a week of primary school to go. It is an exciting time for any young person to move from the sanctuary of their primary school and take the challenge of entering secondary school. We would like to wish them all a very fond farewell from Mulgrave PS. These last two years, have created challenges that most of us have never experienced in our lifetimes. It has meant that they have missed out on far too many milestones, but we are so proud of their resilience and independence. We know our school community has provided these students with the skills and confidence to take on any challenge they face in the coming years. I would also like to farewell all of the families that are departing MPS for a variety of reasons. We hope that wherever you go you will remain Motivated, Persistent and ultimately Successful.

Final 2021 Assembly

Our final assembly will be held on Friday, 17th December from 12:30pm when we say farewell to our Year 6 students and other staff and students who will not be returning to Mulgrave PS in 2021. We will also be announcing our student leaders for 2021, who will then lead the final assembly.

The assembly will be held inside the stadium, **with Year 6 parents and parents of the 2022 student leaders invited to attend.** It is absolutely essential that families respect the need to keep our numbers within maximum limits and prioritise these families for whom this is a significant moment in their lives. *All parents attending the assembly will be required to scan I via the QR codes and be fully vaccinated.*

At this assembly the Year 6 students will sing their graduation song and we will re-present all of the Year 6 end of year awards that will be awarded at Graduation next Monday night. We look forward to this very special assembly. At the end of the assembly, the Year 6 students will be dismissed first and from the stadium, with all other students returning to their classrooms for dismissal.

As per Covid protocols, students must be collected by parents and guardians between 1:25 and 1:45pm, with parents on site for no longer than 15 minutes. Teachers will be on Yard Duty until 1.45pm. The Camp Australia Out of School Hours Care Program will commence from 1.30pm on this day.

Dates for 2021

Please note the following dates for your diary for the start of 2021.

Curriculum Days (Students are NOT required at school these days)

Friday January 28th

Students return on Monday January 31st

Monday 1st November

* We will advise the dates of our other curriculum days early next year.

Holiday Works

Over the holidays you will note some painting maintenance, cleaning and gardening. When we come back in late January, we hope that you will see the benefits of these works.

Have a wonderful holiday!

We would like to wish all students, parents and staff a wonderful Christmas and holiday season with their families. We would like to thank everyone who works so hard to make Mulgrave Primary School the community hub that it is. Through a shared partnership between home and school, we are seeing continual improvement in not only the learning outcomes of our students, but the overall resources of MPS. I look forward to continuing these partnerships in 2022, as we work hard to ensure Mulgrave Primary School provides every child with the best possible learning outcomes in the future.

If you and your family use our school grounds during the holidays and see any suspicious activity, please call DET Emergency Management (9589 6266 or Glen Waverley Police 9566 1555 or 000).

4 Ways to Make Holidays Better for Kids

It's easy for children to be smitten with the magic of the holidays. Fun presents. Extra sweets. A vacation from school—there's a lot to like. But with the freedom and excess of the season, sometimes kids can get a [little carried away](#). For most families, there will be a point when the kids get overtired and cranky, or greedy about presents, or would [rather play a video game](#) than talk to Grandma. Here are some tips to keep kids happy and ready to enjoy whatever the season brings.

1. Gifts, gifts, gifts: Getting presents is a high point of the holidays for any kid, but they shouldn't be the only focus. As adults we know that giving presents can be just as rewarding as getting them, and we shouldn't wait to [teach that lesson to our children](#). Even when kids are too young to buy a present, they can still make one, or help you pick out something. Some of my best holiday memories are of helping my father look for the perfect gift for Mom, or combing the mall to look for presents with my siblings as we got older. Volunteering, participating in a local toy drive, or giving each of your kids a little money to give to a charity of their choice are all great ideas for getting children in a more generous mood. Also, remember that the [best gifts](#) that you give your children probably won't be the material ones. Taking time for the whole family to get together to play a game, watch a movie, or decorate sugar cookies—these are the things that kids remember as they get older.

2. Let them help out: There's a lot of extra work to do around the holidays — putting up decorations, cooking big dinners, throwing parties. The Martha Stewart in all of us can take over, but it's important to take a step back and make sure our kids are included, too. Children can help set the table, decorate the house, and wrap presents. If they're too young to wrap, they can help by holding down the paper or getting the tape ready — there's always something kids can do. And at holiday time, the preparations are often as fun and as meaningful as the end product. Plus, this way kids won't feel left out — or be glued to the iPad for hours.

3. Keep routines: We love the holidays because they give us a break from the everyday, but that can also make them stressful, especially for kids who find routine comforting. Try to keep some things constant. Kids still need snack time, they still need special attention from you, and they still need a chance to unwind before [bedtime](#). At [family gatherings](#) when they notice the kids are "getting antsy," psychologist Rachel Busman says she and her sister give them their baths, get them into pyjamas, and turn on a movie. "We know when they need to wind down, and no one judges us for excusing ourselves from the table to do these things," she says. "In fact, my sister and I enjoy some great conversations during this time."

4. Remember they're kids: Some holiday traditions depend on kids being on their best behaviour: [lengthy services](#), [parties with lots of strangers](#), [elaborate meals](#) that may not appeal to [picky eaters](#). Try to keep those to a minimum and customize festivities for your kids' frustration level. Don't schedule more than one demanding event in a day, and make sure to include physical activity and plenty of downtime. Your kids will be grateful — and so will you.
