Wed 1 - Division Cross Country
Fri 3 - Winter Interschool Sport
Fri 10 - Winter Interschool Sport
Mon 13 - Queen's Birthday

Fri 24 - Last Day of Term 2
- Early Dismissal 2.30pm

JULY

Mon 11 - FIRST DAY OF TERM 3
School Commences 9am sharp

Happy
Mother's
Day

DATES AND TIMES TO REMEMBER:

TERM DATES 2022

Term 1: 31 January – 8 April
Term 2: 26 April – 24 June
Term 3: 11 July – 16 September
Term 4: 3 October – 20 December

CURRICULUM DAYS 2022

Mon Aug 22nd
Mon Oct 31st

PUBLIC HOLIDAYS 2022

Mon, 13 June 2022 Queen's Birthday
Tue, 1 Nov 2022 Melbourne Cup

TIMETABLE

Commence 8.58 Line-up Bell-Music
9am 2nd Bell
Recess 11.00 - 11.30am
Lunch 1.40 - 2.30pm
School Finishes 3.30pm

Message From The Principal

MPS Exceeds our Capacity

Currently MPS has exceeded 450 students which means that we are now over our enrolment capacity and must limit our future enrolments. Of course, we will continue to lobby the Department for additional facilities, but by the same token, we do not want to be bigger than 500 and ideally would settle in the 470-80 area in the next few years. Currently we are in a master planning phase, which means that we are in line to complete stages 2, 3 & 4 of the master plan over the coming years (there is no set timeline). Stage 2 is the full refurbishment of the old hall into a Library/STEM centre, along with a proposed northern carpark, drop off zone and turning circle that enters via the tennis club car parking area. Stage 3 is the refurbishment of the old library into permanent classrooms and an extension of the admin area to connect to the old library building. Finally, stage 4 would see an extension of the BER (STEM/Spanish/Library & OSHC) and the removal of the existing portables nearest Gladeswood Reserve. Whilst we work with the appropriate authorities, there is no confirmed funding for these stages just yet, meaning we have a squeeze on classroom space. Schools are entitled to 1 class per 25 students. This means we are entitled to 18 classrooms and we currently run 20. Finding that 21st space is the challenge.

Enrolment Applications Due June 10th

In 2021 we received approximately 130 applications for enrolment into this year's prep cohort and were only able to create 3 classes, meaning a significant number had to be turned away. Already we are well on our way to 100+ applications for 2023 and we will again be maintaining three classes at prep level. Given this, I would remind parents that **enrolments for prep 2023 close on June 10th** for students who reside outside of our catchment. Following the closure of out of zone enrolments, the school will process applications with a view to advising parents in August (as per the new DET guidelines). For families that live inside the school zone, we would also appreciate your applications by this time also, as it helps us to understand how many available places we will have for those outside of the zone. In circumstances such as ours where a school may not be able to accept all applications due to existing or future capacity concerns, schools must manage enrolment applications in accordance with the following priority order of placement:

1. Students for whom the school is the designated neighbourhood school.
2. Students with a sibling at the same permanent address who are attending the school at the same time.
3. Where the Regional Director has restricted the enrolment, students who reside nearest the school

4. Students seeking enrolment on specific curriculum grounds
5. All other students in order of closeness of their home to the school.

The Mulgrave Primary School zone is available at www.findmyschool.vic.gov.au.

PFA Elections

Every two years the school's PFA is required to hold an election of office bearers. As such, we will be holding our first **PFA meeting post-Covid in the BER on Thursday May 12th at 7pm**. At this meeting, we will need to elect a President and a Secretary. A general committee may be formed if appropriate, but that is not essential. We would love to see a really big turn out for those who are keen to volunteer and play a part in helping us with the key activities we run throughout the year, support the school with fundraising and being a conduit for other parents in an informal sense. The PFA feeds back to school council and has significant input into the general direction of the school community. It is an incredibly valuable part of our school and I would urge as many people to attend as possible.

Parent Helpers

Next **Wednesday, May 11th at 2:35pm**, myself and Nicola Weerakoon will be running a parent helpers training course for interested parents in the staffroom. The session will run for approximately 30-45 minutes and cover the roles required and expectations in the classroom. In line with changes to the operations guide, parents are now allowed back into the classroom to help from this term and we are very pleased to be able to recommence a parent helper program. Teachers will be in contact soon to seek volunteers, but if you're super keen, feel free to drop your child's teacher a Dojo message to let them know.

Election Day BBQ

On **Saturday May 21st** the Federal Election will be held and once again, MPS will be a polling centre. The benefits of being a polling centre cannot be understated, as it allows us to work with our Federal and State representatives to further the cause of our students. As such, running an election day BBQ is a vital part of maintaining our place as a popular centre. With this in mind, we are calling for volunteers to work on the BBQ between 8am and 1pm on the day. The menu is to be advised, but democracy sausages and perhaps even the early morning egg and bacon roll could be in order.

Voluntary Fees

School fees at Victorian government schools are now voluntary, as stated in the parent contributions letter sent out last year. MPS greatly appreciates those contributions made by parents to date, as the school did not receive any funding from the Department to cover any shortfall this change created. As such, for those who may not have contributed, we would appreciate your support so that we can continue to provide all of the extra-curricular activities and resources that your children currently enjoy. Even a part contribution or payment plan would be welcome.

PTS Conferences

The Department have decided that all Victorian schools will hold a whole school professional practice day in term 2. Normally, we would run our professional practice days over the space of a few weeks, with school continuing uninterrupted, however due to the current teacher shortages across the state, the Department have decided to make this term professional practice days an additional student free day at school. Over the next week, the school will put in place a plan for this day, table it at school council for approval and then inform parents of the timing. We will work with Camp Australia to identify if there is a need for Out of School Hours Care on the eventual date.

Mulgrave Basketball Club

As mentioned recently, Nunawading Basketball are seeking to establish a new club that trains out of Mulgrave PS. The new club will seek to entice locals through a variety of supports including free uniforms and other discounts to get the ball rolling. Nunawading Basketball will be seeking to hold a start up meeting with interested parents later this term at MPS (date to be advised). Our School Council President Mr. Ed Meszaros will be the initial conduit between families and Nunawading. If you are interested in being part of the new club, please contact me Charles.spicer@education.vic.gov.au and I will collate the details before passing them on to Ed and Nunawading. This is an exciting opportunity and there has not been a club operating out of Mulgrave since the early 90's, so we can start something that can help young people for years to come.

Mulgrave Basketball Club 2

As part of establishing the new club, Nunawading would like the students of MPS to come up with a new nickname and logo for the team. The Mulgrave ???? is the question that needs to be answered and there will be an Adidas backpack awaiting the winning name (in the event of multiple people choosing the winning name, their names will be entered into a raffle draw). Students can enter by submitting their choice name and a sketch of the proposed logo to me via the office. Entries will remain open until Friday May 20th. The winning name will be selected by the General Manager of Nunawading Basketball (I remind families that "Magic" is already taken).

Whole School Comms via Xuno

A reminder that effective immediately, whole school communications will now be sent via Xuno only, completing the transition to this platform. Classroom Dojo is still available for teacher communications and student work, but will no longer be used for newsletters, notices, etc.

School Crossing Safety

Unfortunately I am again noticing far too many vehicles parking illegally in the morning drop off and afternoon pick up. Of great concern are the no standing spaces at either side of the crossing. These spaces are required to be clear from vehicles to maintain the line of sight of the crossing supervisor. By choosing to park in these spaces, it obscures the view and puts other childrens' safety at risk. These Kiss and Go zones are for quick drop-offs and pick-ups. Cars move on consistently from these spaces, so sometimes a little patience is required to ensure the safety of all. Of course, we also request that families do not leave their vehicles unattended in these areas and move on as soon as it is safe to do so. Alternatively, the car parks on the other side of Gladeswood Reserve have ample spaces for students to be dropped off.

Happy Mother's Day

Last and certainly not least, a big happy Mother's Day to all of our MPS mums. On behalf of the staff I wish everyone a wonderful day and I hope that the breakfast in bed is cooked to perfection and that none of you have to lift a finger on Sunday.

Charles Spicer

Principal

Reminder...

The Resilience Project – Parent Webinar

TRP are again providing a parent/carer Webinar with Martin Heppell on **Monday 9th May, 6.30pm-8.00pm**. During this presentation, Martin will share his experiences and combine them with practical strategies that can be implemented every day to improve our overall wellbeing. **Parents/ Carers will need to register using the following registration link:**

https://us02web.zoom.us/webinar/register/WN_YmLGrZ40SIaYLMV1-gylBQ

Resilience Project Cont.

****Upon registration, registrants will receive a link to attend the webinar, along with a reminder the day prior. Please note that the webinar will include parents from other Partnership Schools. You will also find attached a flyer with some further information on the session.**

Parent & Community Presentation

At The Resilience Project, our mission is to teach positive mental health strategies to help people build happiness and resilience.

Some of the mental health statistics in our country are startling. Looking after our mental health doesn't have to be.

We are especially committed to delivering programs in primary and secondary schools. These settings have the greatest opportunity to instil positive wellbeing habits in our youth, and rewrite the confronting mental health statistics.

One in four adolescents will experience mental health problems this year and nearly two thirds of them will not seek help.

Alarming, one in seven primary school students are also likely to experience mental health problems this year.

Through engaging presentations, student curriculum, teacher resources and digital content, our School Program supports mental health not just in the classroom, but also in the family home.

During our Parent & Community Presentation, Hugh van Cuylenburg or Martin Heppell will share their experiences and combine them with practical strategies that can be implemented every day to improve our overall wellbeing.

The research is clear; the more positive emotion you experience, the more resilient you will be. For that reason we focus on three key pillars that have been proven to cultivate positive emotion; **Gratitude**, **Empathy** and **Mindfulness (GEM)**.

Key Takeaways

As parents and carers, we know you want to show up for your kids, support their mental health, and encourage them to be the best they can be. An important part of showing up for our children, however, is first showing up for ourselves.

Our Parent & Carer Presentation will help you...

- **Equip yourself with simple, practical tools** to look after your own wellbeing.
- **Be informed** of the confronting mental health statistics in our country, and **understand why prevention is the key** to changing this narrative (especially for our children).
- **Learn about GEM (Gratitude, Empathy & Mindfulness)** - the evidence-based principles your kids' are living and breathing at school to feel happier and build resilience.
- **Feel confident** in holding positive wellbeing discussions with your family.

THE
**RESILIENCE
PROJECT**

TERM 2 SPECIALIST AWARDS 2022

	Junior	Middle	Senior
Art	Noah A - 2B For showing great enthusiasm and focus when working on his city skyline project. It was also great to see you always willing to help others with cleaning up. Awesome work Noah!	Milla H - 3/4L For her ability to quickly grasp new concepts and the steps required to make her 'ice cream cup' sculpture. This included creating a design plan, building a strong armature, completing two layers of paper mâché and painting the sculpture with multiple layers. Fantastic work Milla!	Isabella T - 5N For showing amazing improvements in her sewing skills. It has been wonderful to see you develop your skills in using the 'whip stitch' and an 'aeroplane knot' to sew together your pizza cushion. Well done Isabella! Keep it up!
PE	Jack M - PH An absolute PE Legend, Follows the rules and expectations, and gives it his all in every activity.	Patrick G - 3/4L You have demonstrated great listening skills and as a result you have shown a great improvement across all your PE skills.	Finn C - 6J For always showing up to PE and giving it a go, you have an amazing zest for PE.
Performing Arts	Alexander J - 1P For consistently being a terrific performing artist in class. You give every activity your best effort and you set a great example for your peers. Great work!	Charlie B and Mariah H - 3/4M For working so diligently on their stop motion animation, "Do You Want to Build a Snowman?". You worked so well as a team and your film was well animated and humorous. What a super effort!	Tarun P - 6T You have been a wonderful help during our ukulele unit by helping your peers when you could see they were stuck. Your kindness and patience is very much appreciated. What a great leader you are for your class! Well done!
Science	Jasper T - 1E Excellent work while we learnt more about using computers. You did a great job completing tasks quickly and efficiently. You also did a great job helping others who needed it. Very well done Jasper.	Andrew K - 3/4L Great work while learning about Google Classroom, both in completing tasks but also helping those in your group. You did an awesome job working to get your whole group to write in the same Google Doc at the same time. Nicely done Andrew.	Jazzabelle K, Amelia G, Melanie D, Mira S - 6T Excellent work during our experiments on the States of Matter. You did a good job recording your results. You also did really well with creating and sharing a digital record of what you had learned so far using Google Classroom. Awesome work.
Spanish	Zayn M - PK For showing great enthusiasm in the Spanish lessons and his confidence when saying the greetings and feelings in Spanish.	Owen M - 3/4K For participating actively and always giving it a go at saying the new words and phrases in our Spanish lessons, as well as showing great speaking and listening skills.	Cilicia O - 5N For showing outstanding speaking and listening skills and her enthusiasm to find new words and phrases beyond the classroom.

Mulgrave House Cross Country 2022

Congratulations to Red House!!

7 Behaviour Management Tips for Every Parent

by Melbourne Child Psychology & School Psychology Services, Port Melbourne

Kids will be kids!

The notion of a perfectly behaved child — for most parents — is unrealistic. But if your child's behaviour is making things difficult for you or your family, you may want to consider implementing some changes, and the best place to start is at home.

There are many reasons a child may misbehave (which we'll get to further on in this post), but for a start — start small.

Below are some easy ways you can try to regain some 'law and order' in your household, and improve the behaviour of your kids.

1. Make expectations explicitly clear.

Parents may feel like they shouldn't have to explain themselves to their kid. But they absolutely do! If kids don't understand the how, what and why's of what's expected of them, how can they be expected to follow through?

It doesn't have to be complicated, just simple, clear directions like:

'You need to do your homework straight afternoon tea, so you'll be free for family time by dinner', or, 'I want you to have a shower right after play time, so you don't bring dirt through the house'.

Clear expectations mean less questioning, which is good for the kids, and great for parents!

And in that vein...

2. Be **CONSISTENT**.

While adults are expected to adapt and reprioritise throughout the day, it's not realistic to expect kids to do the same. They'll struggle with the mixed messages, and be more likely to question *why* they're expected to do things.

Plus, consistency helps kids to feel secure and confident, in their surroundings, and in themselves. That's why it's also incredibly important when it comes to separated parents and co-parents. Inconsistency between each parent can cause conflict (between the parents and the kids) and lends itself to a 'good cop, bad cop' mentality (which can lead to more behavioural problems) and can make your kids question your reliability.

A great way to ensure consistency?...

3. **Routine, routine, routine!**

A solid family routine lends itself to a happy and functional household. It helps to solidify expectations, and make sure that kids meet them on a daily basis. It also helps kids to feel safe in the reliability and security of home life — something that they may not have at school. A routine makes it easier for parents to follow through with the own rules that they've set for themselves and for the rest of the family.

A routine doesn't have to be oppressive. Start by framing yours around things that happen every day already:

Dinner time, homework, chores — try to schedule them in for the same time every day, and then shape new additions to your routine around them.

One of the best things you can add to your routine?

4. **Communication.**

It may seem obvious, but busy schedules and digital communications have gotten in the way of real, personal conversations. It's so important to **talk openly**, honestly and often with your kids and the fact that it will encourage better behaviour from them is just a bonus.

Easily add '**communication time**' to your routine by making no **screen time zones** during meals or car trips. By talking to them, they'll have more faith in your judgment, greater respect and understanding for your decisions and, importantly, you'll get more insight into the root of their behaviours.

Now, when it comes to encouraging good behaviour...

5. **Avoid rewards.**

By offering rewards for good behaviour, you're sending a very clear message to your child:

'This is not something I expect you to do on your own'.

Rewards are appropriate for certain tasks or chores, especially the less common or frequent ones. But kids shouldn't be rewarded for behaving well or for everyday tasks. These are things they are expected to do, that they should ideally want to do, and that they will need to continue doing on their own accord in the future.

And when it comes to 'bad' behaviour...

6. **Be careful with punishment.**

Just like rewards focus on short term results — to the detriment of future behaviours — so does punishment. Parenting expert Elain Wilson suggests that punishment is based on control and power by using pain or unpleasantness to stop the behaviour (in the present) but it does not teach the *value* of the desired behaviour.

While punishment may get immediate results, it can also make kids fearful, and encourage sneaky behaviour.

'Punishment uses pain and unpleasantness, builds resentment, encourages deception and can damage self esteem,' explains our senior psychologist Deb Jepsen. Avoiding punishments doesn't mean kids should get off scot-free for bad behaviour but rather, parents should take the old adage of 'prevention is better than cure', and work on replacing punishment with discipline, the exact kind of discipline that comes with routine!

And finally...

7. Know the symptoms and signs of a potential cause.

Kids can act out at home because of other problems. By talking with your kids often, you'll be much more likely to pick up on social problems or other emotional challenges they may be dealing with so be aware of the warning signs of [anxiety](#) and [depression](#) and remember that [learning disorders](#) are not always picked up in the classroom.

Read separately, these six tips may seem like they present a huge overhaul to your parenting style, or to the general running of your household, but pay attention to how they all actually compliment each other and work in support of each other.

By developing a routine, you make expectations clear and implicitly consistent.

By incorporating consistent and clear discipline into your routine, you can avoid resorting to using punishments and rewards.

By making time to really converse and communicate with your child, your expectations and values will be made much clearer to them, and any external factors affecting their behaviour will be made more clear to you.

Newsletter

Whether you call it
Handball, Downball or
4-Square, it's the game
your children love!

The Handball Championships
are back for round 2!

A message from your Coordinator

Dear Families

A very warm welcome to families and students in term 2! I believe Easter break was rejuvenating for you all!

Our Easter Rocketeers program was a huge success; the children had a great time exploring various missions. Rocketeers Mission VI will be launched soon with exciting missions; please keep an eye on your emails for booking details.

Once again, the Handball championship is back at OSHC! It is an excellent opportunity for children to showcase their talent and play at the regional level. Next week training will begin in OSHC, and the championship will begin on the 16th of May for the whole week. The service winner will go to the Regional Championships coming in June 2022. For Booking, Visit the Parent portal. Good luck to all our Contesters!

Please come and join us for special Mother's Day Breakfast on Friday the 6th of May from 7:45am till 8:45am! We wish all lovely Mothers A very Happy Mother's Day! I hope you'll have a fantastic day on Sunday and get spoiled rotten!

Kind Regards

Meena

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:
<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

**Must be submitted
