\$6.06 Million Commitment for Mulgrave Primary School

On Friday October 21st, Mulgrave PS was visited by the Premier of Victoria and Member for Mulgrave, The Hon. Daniel Andrews. The Premier announced a \$6.06 million election commitment from a re-elected Labor government for upgrades to our school. The funding will allow us to refurbish the old hall and canteen area and create a new STEM Centre and Library that will form the centrepiece of our school. In addition, funding has been allocated to create a new rear entry and drop off point to the school with additional parking.

Medium Term Outlook

The school remains a-political and does not seek to influence the community with an election pending. We have received significant commitments from both the government and the opposition. School Council welcomes these commitments which support our medium to long term vision for the school.

Over the last few years, interest in the school has been extremely strong and the School Council, in collaboration with the Department of Education, has worked towards a model of three classes per level. We will most likely reach that mark in all year levels in 2024, although it will require additional space to achieve this aim. This would create a school of roughly 480 students and allows us the opportunity to provide the full range of specialists and support structures, whilst also retaining a strong community feel.

Art Show

What a wonderful evening last week's Art Show turned out to be. Mrs. Pejic and the team created an amazing celebration of our students' art work and talents. I would like to thank Mrs. Pejic for her tireless efforts and the support of an incredible staff team that put in a significant amount of time to ensure the event was a success. I would also like to thank Monita Santos for her generosity and Alison Battaglia for her help and support in getting the show off the ground. We love nothing more than to celebrate the work of our students, whether that be in the arts, literacy, numeracy, languages or sports, so to be able to put on an art show for the first time in 4 years was very special and we could not be prouder of the efforts of our students. As a result of all of that hard work and the generosity of families either donating time, resources or bidding on silent auction works, the school was able to raise funds which will go towards future school improvements (final figure TBA).

World Teacher's Day

Last Friday was World Teacher's Day and whilst we celebrated internally, I wanted to take the time to publicly thank our wonderful group of teachers for their continued efforts to help MPS improve in all facets of our teaching and learning. The staff go to enormous lengths behind the scenes to ensure that we are catering to all of our students' individual needs. A significant part of this work is done after hours and at home, so it is not always seen by the general public. I can guarantee that the stereotype of 9-3:30 could not be further from the truth. I am very proud to lead this dedicated and hard working group of educators and if you do get the chance to drop them a line between now and the end of the year, I'm sure your thanks will go a long way to brightening their day.

PFA 2023

As parents would be aware, we currently do not have an active PFA. It would be great if we could get it up and running again, however this requires parent leadership. If you are interested in taking on the role of PFA President, please let me know. Our previous leaders have spent years building the PFA back up, but are unable to continue in their roles, so we are seeking a fresh injection of parent volunteers to help out. We currently have a significant number of parents in volunteer in all manner of roles, but we need some new leadership.

In addition, we will be seeking volunteers to help out on Carols nights, so if you are willing to support the school for an hour, please contact Viki at the office.

Election Day Saturday Nov 26th

Saturday November 26th is election day and in the past we have run BBQ fundraisers to support the school. As per my previous comments, we need volunteers to make this happen. If we cannot get enough people to volunteer, we will need to cancel. At this stage, I am looking for volunteers from 7:30am through to 12:30pm. If you can volunteer for an hour or so, please drop me a line via Charles.spicer@education.vic.gov.au.

School Uniform (including hats)

There has been a significant increase in students attending school without the correct uniform over recent weeks. It is a requirement for all students to be in the correct school uniform, including the school hat. PSW has a full range of stock on hand and you can click and collect. Hopefully we can see a return to full uniform next week. It should be noted that if students are required to wear leggings for cultural reasons, the leggings should be navy blue, as per the tracksuit pants. Finally, there is currently a significant amount of misplaced uniform items in the lost property containers, which are located just outside the prep building. We ask that all uniform items are named so that if we do pick them up, they can be returned quickly and we encourage families to check the tubs to see if any of their lost items are there.

Late Arrivals

Of recent times we have been noticing more and more students arriving late for school. It creates enormous pressures on the office staff and as we only have the one sign in tablet, it delays the start of the school day for late comers who must cue up to sign in. This in turn leads to delays in the classroom, when the teacher must explain the task again to the late students. We are seeing in excess of 20 students a day coming in late and it's simply not acceptable. The expectation is that students are at school by 8:57am and they then enter the classroom when the music sounds for a 9am start to their learning.

Can I ask all parents to please ensure their children are at school on time. The loss of class time through lateness is a major distraction to the learning of all students and I would appreciate your understanding on this issue.

Happy Diwali!

Many of our community members celebrated Diwali last Monday 24th October. On behalf of the MPS staff, students and community, we would like to wish you a Happy Diwali!

2022 HOUSE SPORTS

Friday 18TH NOVEMBER 2022

(Weather permitting)

Dear Parents,

AFTER TWO LONG YEARS..... HOUSE SPORTS IS FINALLY BACK!!!!!!

Mulgrave Primary School will once again be holding our annual House Sports. This whole school event is regularly considered as one of the annual schooling highlights.

This year the sports will be held on **Friday 18th November from 9.00am to 1.30pm (approx.) at the reserve adjacent to the school.** All students will be participating and need to wear a sports uniform (shorts and runners). We also encourage students to wear their House Colours (T-shirt, socks, hair ties/ribbons).

Please no hair colouring or face painting.

Students will be told what events they are participating in closer to the date.

The number of events a student participates in varies, depending on year level and house.
At a minimum all students will get 2 events.

All students are also required to wear a broad brim hat (preferably Mulgrave Primary School), and depending on weather, an extra drink of water, and sunscreen to be applied **before** coming to school.

Please also send along a couple of safety pins so students can display their winning ribbons on their T-Shirts.

All families and friends are welcome to attend the day to support the students. A timetable is on the reverse of this notice for your information. We would suggest you bring along a chair and/or rug for seating. Children will be sitting in their house groups when not participating in an event.

If any parents can assist on the day, this would be very much appreciated. Please contact or see me, prior to the day, for details.

We look forward to a fun and exciting day!

ALL STARS

The Mulgrave Allstars Basketball Girls team went to regional finals on the 29th October.

Unfortunately, we lost our first round to Yarra Valley Grammar, 4 to 18; Vicky and Jerzey were our scorers, getting one goal each. In the second round, Jerzey hit a random 3 pointer and Bianca went into beast-mode and scored 14 points. We won the game against Mount View PS, 21 to 14. Our final game was against St Peter Julian Eymard PS; we lost 22 to 8 with Bianca scoring all our points. Overall, we came third in our pool.

Thank you to Mr Ulas for scoring for us!

Ali's Corner - Parents Spot

Why do kids grizzle and whine?

Why do kids grizzle and whine? Because it works! Like chicks in a nest that pester and peck until their parent regurgitates worm bits down their throats, kids have learned that whining gets them what they want. Do you want to spend the rest of your parenting years trapped with grizzly, whiney kids? No? Then promise yourself, "I am never going to give in to a request made to me in a whiney voice. Or a cranky, bullying one either."

When they come at you with, "Mum! Mum! Mum! Muuuuuuum!" say, "Sorry, I'm not listening to that. If you want my answer now, it's no. Pop away, practise your nice polite voice and come back and ask me again." I doubt it will work straight away – they might just notch up the volume and unpleasantness. But stand your ground and repeat the 'nice polite voice' instruction.

And you know what? They will – they will come back and ask you in a nice polite voice. Then you can say, "No!" I'm kidding – you don't have to be cruel. Listen to them. When they discover that well-mannered requests work well for them and whining never works, you will start to see a shift in tone at you place.

By the way, it is important you model the voice you want. Many parents ask me, "Why does my child grizzle and whine?" - in a grizzly tone of voice of their own. Some mysteries are not that deep. If you whine and grizzle back at them, guess what they will learn? Drag up the acting skills you use for job interviews and visiting relatives, switch on a soft lilting voice without a hint of edge or threat, and say, "When you can speak to me as softly and politely as I'm talking to you, I will listen."

Dear Families

Next week we are celebrating National Recycling Week to promote environmentally friendly practices and to educate regarding the importance of sustainability.

Please book your child to celebrate this special awareness week with us.

Summer holiday break is just around the corner, and Camp Australia Rocketeers VIII looks bigger than ever, jam-packed with exciting missions, adventures, and projects. For bookings and details on the daily program, please visit campaustralia.com.au.

Hurry, places are limited!

Highlights of the program over the last couple of weeks - we celebrated the Diwali Indian Festival of Lights with colourful clay Diya (Lamp), made beautiful greeting cards and mandala art and cooked delicious coconut delight. We also celebrated Halloween through various experiences like pumpkin suncatchers and skeleton cotton bud craft, blindfolded sensory experience and learnt to make a spooky pom-pom launch which was great fun. The children showed huge interest in the activity.

Apart from these experiences, pop-up cards were popular, and in science, we explored static electricity. Team games included French lawn bowling, skipping challenge, memory tag, Pac-man tag, silent ball, and eleventh math game. We also made delicious Lebanese pizza, vegemite scrolls, pancakes, and fruit cake.

Activities coming up

- Newspaper art
- Magical bottle top animals
- 'Bin it right' relay and races
