Message From The Principal

End of Term – Early Dismissal 2:30pm Friday

How time flies! The end of Term 2 is this Friday, with students being dismissed **at 2:30pm**. Please make arrangements to collect your child at this time, or alternatively, please contact Camp Australia to arrange care if you are unable to collect your child/ren at **2:30pm**.

Already we have covered an enormous amount during the first semester, with students undertaking a broad range of learning experiences across the school. We have seen students attend leadership excursions, the middle school enjoyed a trip to Ricketts Point, the preps have been visited by the fire brigade and the police, the Year Ones and Twos visited the Zoo, we've had incursions from the Collingwood Football Club, tennis clinics, interschool sport and the Year 4 and 5's have visited Nazareth College to see *Suessical the Musical*. On top of that we've enjoyed Green Day yesterday, Harmony Day and Tree Planting Day. We've also celebrated Lunar New Year, Easter and partied on at the Disco last week. Between all of that, our students have worked hard on their literacy and numeracy skills and have achieved some excellent results over the semester. This week, staff have been using assessments and student input to plan next term's units of work to be as engaging as possible and targeted to every student's point of need. Later in Term 3, staff will also provide an Individual Education Plan and will meet with students and parents to discuss progress and set goals for the remainder of the year.

Tom Boyle

It is my pleasure to announce that Tom Boyle has been officially appointed as the substantive principal of Ivanhoe East Primary School. Tom's 4 years at MPS helped drive significant changes to how we operate, particularly through our approaches to planning, collaboration, assessment and curriculum delivery. I know that all those who worked with Tom will look back on his time with us with great fondness and of course, he will always be welcome at MPS. This also means that we will now need to complete a selection process for a substantive Assistant Principal. This process will be conducted in Term 3.

Staffing Update

I would also like to acknowledge the work of Mrs Elliott, who will be retiring after a brilliant career in education that has spanned over 4 decades. I had the privilege of working alongside Mrs Elliott in the classroom over a number of years and we were very pleased to be able to make her part of the MPS team in more recent years. On behalf of the school, I wish her all the best in her retirement.

Mr. Stokes will be returning next term in 3S following the birth of his second child. I would like to thank Mrs Cutting for stepping in and covering the class this term, ensuring a seamless transition. Mrs Cutting has also agreed to take on the tutoring program for the remainder of the year, so we will still see her around the school.

In addition, we will be expanding the tutoring program in the second half of the year, with Miss Lisa Laski working under the direction of Mrs Cutting to provide additional support.

Lisa will be replaced in her current role by Miss Grace Gardiner, who will be supporting students in various classrooms from next term.

Foundation Enrolment & Transition 2024 – IMPORTANT INFORMATION

[The Department of Education \(DE\) has released a new state-wide Foundation \(Prep\) enrolment timeline. The timeline advises families when and how to enrol their child into Foundation \(Prep\) at a Victorian government primary school, including Mulgrave Primary School.](#)

What you need to do:

1. Submit an enrolment application for Foundation (Prep) **by Friday 28 July 2023**
2. You will be notified of the outcome of your application **by Friday 11 August 2023**. If you receive an offer of placement, you should contact our school to accept the offer by **Friday 25 August 2023**
3. Take part in enrolment information and transition sessions during Term 4, 2023
4. Your child will start Foundation (Prep) from **Tuesday 30 January 2024**.

Enrolment applications submitted after 28 July 2023 will be processed by our school as they are received, in accordance with the department's Placement Policy.

Please note, MPS now has enrolment restrictions which caps future Foundation enrolments at 66 students, unless that number is exceeded by in zone and sibling claims.

Transition – Year 6-7

Year 6-7 simplified timeline of secondary school enrolment information:

Wednesday 19 th July	MPS notify parents/carers of Year 6 students, in writing, of Year 7 secondary school placement offer for 2024
Friday 28 th July	Closing date for parents/carers to lodge a written non-placement appeal to their preferred secondary school
Tuesday 12 th December 2023	Secondary Schools Host Orientation Day for all Year 6 students.

School Production

We are moving closer to our MPS School Production on the 18th and 19th of July at Nazareth College. All classes across the school have been busy rehearsing their performances in preparation. A reminder that tickets are selling fast and to book via TryBooking by 18th July for those families who are yet to do so. Click on the link: [Arthur Gumnut Production Tickets](#)

Holiday Works

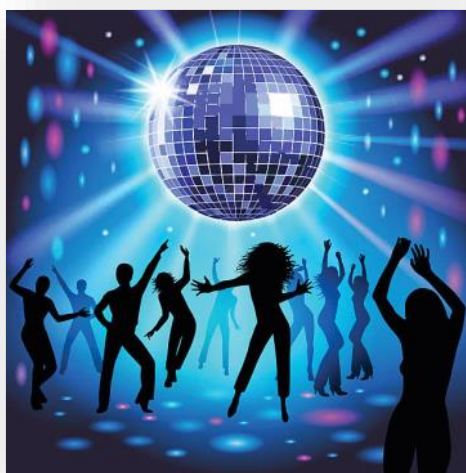

Over the break there will be a number of works around the school grounds to tidy up the school and ensure we are on top of all of our maintenance requirements. If you are visiting the school over the break to enjoy the facilities, please give the workers plenty of space to do their work in safety. Some of the tasks will include the clearing of the gutters, the sealing of the overflow carpark and the grinding of the old stump in the courtyard, among other things. We look forward to having the school in excellent condition for the start of Term 3.

Term 3

Students return for the second semester on **Monday July 10th**.

Enjoy the break, stay safe and we look forward to seeing everyone again in Term 3.

Update from the PFA!

As we approach the halfway mark of the year, it's time to take a moment to reflect on the remarkable contributions made by our Parents and Families Association (PFA). This dedicated group of individuals has been instrumental in enhancing the sense of community, fundraising efforts, and creating unforgettable memories for our school. Let's take a closer look at some of the incredible events organised by the PFA this year and get a sneak peek into what's to come.

Welcome Prep BBQ

At the beginning of the year, the PFA organised a fantastic Welcome Prep BBQ, where Prep families had the opportunity to connect with each other and establish valuable friendships. The event fostered a warm and inclusive atmosphere, ensuring that everyone felt part of our vibrant school community right from the start.

Mother's Day Stall

The PFA went above and beyond to celebrate the exceptional mothers within our school community. They organised a successful Mother's Day Stall that allowed students to show their love and appreciation for their mothers while raising funds to support various school initiatives. The PFA raised a total of \$1,987.95.

School Disco

The much-anticipated School Disco was an absolute hit this year. The evening was filled with laughter, music, and fun, as students showcased their dance moves. Thanks to the PFA members for helping on the night.

Looking ahead, we are thrilled to share some of the exciting events the PFA has planned for the remainder of the year:

Sock Fundraiser

The PFA is all set to organise a Jolly Soles Sock Fundraiser, where students can showcase their unique and colorful socks while supporting a great cause. Not only will this event raise funds for essential school projects, but it will also inspire creativity and individual expression among our students. Get ready for Crazy Sock Day in August.

Father's Day Stall:

In honour of the incredible fathers and father figures in our community, the PFA will be organising a special Father's Day Stall. This event will provide an opportunity for students to select thoughtful gifts for their loved ones.

Book Fair

The PFA recognises the value of literacy and the joy of reading. They will be hosting an exciting Book Fair, offering an extensive range of captivating books for students of all ages.

Special Food Day

Prepare your taste buds for a delicious treat! The PFA is planning a Special Food Day in term 4.

PFA Update continued...

We extend our heartfelt gratitude to the PFA for their commitment and dedication to our school. Their efforts have made a significant impact on our community, creating memorable experiences and supporting essential initiatives.

As we move forward into the second half of the year, let us come together to support and participate in these upcoming events. Your involvement and enthusiasm will ensure their success and enable the PFA to continue their invaluable contributions to our school.

Thank you for your ongoing support and we look forward to sharing more updates with you soon!

If you would like to join the PFA, please contact the office on 9795 2477. We would love to hear from you.

Warm regards,

Laura Cain

PFA President

Sports Update!

Eastern Region Cross Country

Well done Stella, for your amazing effort at Region. A top 25 finish is an amazing effort!

District Sport

Well done to the Grade 5/6 Boys Soccer Team on their thumping 5-0 win in the District Final. Good luck at Division on the 2nd of August.

Although we didn't get the win in Netball, we have had our best results in recent memory finishing 3rd in the 'Girls A' Comp!

All our other teams should be very proud of how they represented Mulgrave! Well done!

Helping Kids Resist Technology Addiction

One Piece of the Puzzle: Nature Abhors a Vacuum

When anyone develops an unhealthy dependence on a substance, activity, person, or anything else, the underlying issues are usually not resolved merely by removing access to the target of their addiction. It's wise to remember this when it appears that our kids may be getting pulled into excessive use and dependence upon their digital devices.

Even though limiting access is essential, doing so doesn't solve the underlying problem. Imagine this very simple experiment:

- Find an empty bottle. The space inside represents a void (or vacuum) present in a person's life. This doesn't mean that the person is hopeless. It means that they need someone to help them fill these voids with healthy habits, skills, and relationships.
- Hold the bottle in a sink completely under dirty dishwater. The nasty water represents the subject of a person's addiction. Because there is a void inside of the person, the water rushes in, completely filling the person. "Nature abhors a vacuum." Look up what this means.
- Take the bottle out of the water and pour out the contents. Rinse it out with fresh water. This represents what happens when we remove access to what the person is addicted to, and they appear to be clean.
- Once again, hold the bottle completely under the dirty dishwater. Because there's still a void, the contaminated water rushes in immediately. The bottle is in the same condition it was before it was first emptied and rinsed.

If we don't help others fill the voids inside them with healthy habits, coping skills, and positive relationships, they will always be at risk of filling themselves with unhealthy things.

One of our primary jobs as parents is to help our children become so full of healthy habits, coping skills, and positive relationships that there is no room for the negative. Although this is undoubtedly easier said than done, demonstrating love while empowering our kids to own and solve their own problems is a huge step.

Dr Jim Fay—Live and Logic

Live well and laugh often. Enjoy your break!

LEARN TO RIDE PROGRAM

AGES 5 - 12

A new national program, designed by Australia's peak cycling body, AusCycling, is launching at Lysterfield District MTB Cycling Club soon.

AusBike gives kids the essential skills to experience the freedom, fun and adventure of life on a bike.

AusBikers are safe & active kids!

Our accredited coaches will help build your child's competence and confidence on two wheels.... and who knows where their love of riding will take them?!
