Recess	11.00 - 11.30am
Lunch	1.40 - 2.30pm
School Finishes	3.30pm

## Message From The Principal

Another big year is coming to a close. It's amazing how much has been crammed into what seems like such a short space of time. The year has been filled with many highlights and some of the more notable mentions include our production, Fun Run, excursions, House Sports, the start of stage 2 of our Master Building Plan which will culminate in the construction of a new Library, STEM and Art centre where our old hall currently sits, but the most important highlight is the growth and achievement of every single student. The results of our students across all curriculum areas is something to be celebrated.

### Farewell to the Class of 2023!

Our 2023 Year 6 students have just over a week of primary school to go. It is an exciting time for any young person to move from the sanctuary of their primary school and take on the challenge of entering secondary school. We would like to wish them all a very fond farewell from Mulgrave PS. We know our school community has provided these students with the skills and confidence to take on any challenge they face in the coming years. I would also like to farewell all of the families that are departing MPS. We hope that wherever you go you will remain Motivated, Persistent and ultimately Successful.

### Grade 6 Graduation

The 2023 Year 6 Graduation will take place next **Monday, December 11th** from 5:30-7:00pm. Graduation is always a wonderful event full of pride and emotion, so I look forward to sharing the evening with our senior students and their families. Our ceremony will be held in the new stadium. It is sure to be a wonderful evening and I would like to thank all of our parent volunteers for their help, as well as Mrs. Turner and Mr. Geer for their work in organising the night. It is always a great time for families to share their child's achievements and a significant milestone for our Year 6 students.

### Mr Charles Spicer

Mr Spicer is now home and is using his time to rest and recuperate. I was able to deliver a care package from the school to him, along with many cards and other items dropped off by families earlier this week. Charles expressed his sincere gratitude to the families who have passed on their thoughts and wanted me to let you know that he is doing well and looking forward to being back in the new year.

### Transition

Our first transition session was held last week and was highly successful. All students had the opportunity to meet their new teacher and classmates. There will be a further 2 sessions before the end of the year. This is an important process as it allows our students to become familiar and comfortable in what will be their new surroundings and helps to minimise those first day nerves on their return in 2024. Teachers have also completed a handover session where information was shared and discussed to ensure staff have a clear picture of their new students and are able to best meet their learning needs from day one.

## Colour Explosion Fun Run

What an amazing day we had for our Colour Explosion Fun Run. There's nothing better than seeing the happy, smiling faces of the students as they make their way around the course. There was much fun, laughter, colour, slime and bubbles enjoyed by all. It is with great pride and gratitude that I can announce the grand total raised by the generous friends and families who contributed to our fundraising event. Achieving the highest total ever, the Mulgrave Primary community raised the outstanding total of **\$20,694.02!**

## Parent Helpers Morning Tea

Next **Friday, 15th December**, we will be holding our parent helpers morning tea from 10.45am in the old hall. We acknowledge the efforts and contributions from our parents that are very much appreciated by all staff and students. We thank everyone for their support with the breakfast club, stalls, raffles, sausage sizzles, excursions, changing the linen in sickbay, fundraising events such as pizza day, the PFA, School Council and the ongoing efforts to assist in the classrooms. We are most fortunate to have a number of parents and friends who assist the school in so many ways. Without this help our school would not function at the high level it does. We hope to see you there so that we can once again express our gratitude for your assistance.

## Swimming

This week sees the conclusion of our swimming program. The students have enjoyed and benefitted from the high level instruction and opportunity to further develop their swimming and water safety skills. While it's a chaotic two weeks and students will no doubt be feeling a little tired, I am immensely proud of the way our students have conducted themselves and the positive feedback received from the instructors.

## Carols

Classes have been busily practising their songs for the night and we look forward to a wonderful evening! Our Christmas Carols Concert will take place on **Wednesday, 13th December**. The night will kick off at 5:00pm with a sausage sizzle and other treats available from the canteen. The concert will be held in the courtyard and commence at 5:30pm. All year levels will sing a Christmas carol, with special performances by the school choir. All families are invited to bring blankets and chairs, however, we ask that those bringing a deck chair to please set up behind the designated "blanket zone". We look forward to a wonderful evening where our families can enjoy each other's company and some festive cheer.

## Uniforms

All students are required to attend school in proper MPS uniform and whilst the end of the year often sees families "stretching the life out of items" or using nonuniform clothing, we would remind families that full uniform is required for the start of the new school year. Whilst it may seem trivial, signing up to attend MPS includes agreeing to uphold our uniform standards. As we move into 2024 the only uniform that is acceptable to wear each day is listed on the PSW website, with the exception of shoes where we recognise the importance of choosing the appropriate active footwear for your child's growing feet. Having a consistent uniform is a mark of respect and also an important aspect of student discipline and behavioural standards. It also becomes an important visual aid for when we leave the school grounds and are representing the school in the broader community. In the end, it says I attend Mulgrave Primary School and builds pride in our school community.

## Final Assemblies

This year we will run two end of year assemblies. The first will be held on **Friday December 15th** when our student leaders for 2024 will be presented with their badges. This assembly will commence at 2.40pm. On **Wednesday December the 20th** (the last day of school), we will farewell the graduating class of 2023. We will commence at 1:00pm, with Year 6 students dismissed at the end of assembly. Prep to Year 5 students will return to their classrooms to collect their bags and will be dismissed at 1:30pm. Please be advised that as per usual, students must be collected by parents and guardians within 15 mins of the bell signalling the end of the day. Teachers will be on Yard Duty until 1.45pm. Camp Australia will be providing care from 1:30pm onwards and we ask that all students are collected on time. With that in mind, could I please ask families to put a reminder in their phones for the **1:30pm finish time on Wednesday December 20th**.

**\*\*Please be aware that Camp Australia will be offering their program from 1:30pm on December 20th, so if you are unable to collect your child at 1:30pm, please contact them to make a booking at <https://pp.campaustalia.com.au/>**

## Parent Contributions

By now parents would have received the 2024 Parent Contribution letter. This outlines what we feel is incredible value provided by Mulgrave Primary School. We appreciate that sometimes finding the money to pay school contributions can be difficult, which is why payment by instalments is also welcomed.

I strongly urge parents to support the school through making financial contributions. Parent payments are the difference between providing a full program and doing the bare minimum. In addition, grounds improvements are only possible with parental support. The school puts great care into the presentation of the school grounds; with your assistance enabling us to provide a regular gardener to ensure that the school surrounds are tidy. With your support, we can continue to maintain and improve our school so that it is the best possible learning environment for our students.

## Professional Practice Planning Day

A reminder that on **Thursday 14th December**, students are not required to attend school. Staff will be analysing student data, sharing information and collaboratively planning next year's curriculum to ensure that the best learning opportunities are provided for your children. This day has been communicated previously and is approved by the School Council.

## Social Media and Age Appropriate Viewing Habits

Please be mindful during the summer break of healthy viewing habits for your children. A growing number of students are accessing platforms and content that is well beyond their capacity for understanding. Children move through developmental stages where their brains become better equipped to interpret themes in the broader world. The Australian rating system is based on these milestones and are a good guide for what your children should be exposed to. With the holidays approaching and screen time on the rise, your cooperation in ensuring your child is viewing age appropriate content is appreciated.

## Reading

I know it's said every year, but the best way to improve academic outcomes for your child is to make sure they continue to develop a love of reading over the holidays. If they can read daily, it gives them a distinct advantage over their peers in the long run. Bed time is a great time to curl up with a good book and a great habit to get into. We also know that students who do not read over the holidays will go backwards in terms of their academic progress, so it really pays to read, read, read!

## Holiday Works

There will be a number of projects being completed around the school over the holidays including painting, cleaning services and resurfacing of the stadium floor.

## Secondary School Orientation Day

On **Tuesday 12th December**, our Level 6 students attending Government schools in 2024 will be having their Orientation Day at their new schools. We wish them all the very best for this very exciting day! Year 6 classes will not run on this day.

## Reports

The end of year reports will be released via Xuno On **Monday December 18th**.

## Dates for 2024

Please note the following dates for your diary for the start of 2024.

- Monday January 29th 2024 - Staff Resume for 2024 – preparation and planning day.
- Tuesday January 30 2024 – All students in Prep to Year 6 start school for 2024.

## 2024 Staff Profile

A very warm welcome is extended to our new staff – Bridgette Thorne, Jo Bon, Caleb Lazar. Please say hello to our new staff members if you see them around the school. We also welcome back Amanda Hickleton and Beth Pope after their year long sojourns overseas and Evana Durack from family leave. Our team for 2024...

**Prep:** Erica Newnham (PN), Lauri Brogden (PB) and Jay Khoo (PK)

**Year 1:** Sarah Murray (1M), Bridgette Thorne (1T) and Bernice Li (1B)

**Year 2:** Marika Evans (2E), Beth Pope (2P) and Michelle Ohia (2O)

**Year 3:** Kate Hattwell/Evana Durack (3HD) and Emma Harrison (3H)

**Year 4:** Jo Bon (4B), Amanda Hickleton (4H) and Caleb Lazar (4L)

**Year 5:** Nathan Giles (5G), Lenore Matthews (5M) and Nicole MacPhie (5MP)

**Year 6:** Hayley Cutting/Lauren Hay (6CH), Jordan Geer (6G) and Tim O'Neill (6O)

**STEM:** Stuart McIlwraith

**Spanish:** Pilar Caivano

**Visual Arts:** Dani Pejic

**Performing Arts:** Sally Bush

**Physical Education:** John Stokes

**Tutoring Program (Response to Individual Needs):** Tracy Turner

**Education Support:** Marina Vujmilovic, Tien Sumarni, You Meng Hooi, Lisa Laski, Vicki Goldsworthy, Jacque Nathan, Sindhu Havanur and Grace Gardiner

**Admin Officer:** Viki Ali and Anna Long

**Business Manager:** Suzy Shaw

**Assistant Principals:** Stuart Hattwell & Nicola Weerakoon

**Principal:** Charles Spicer

## Departing Staff

At this time of year, it is always difficult when we need to farewell any of our staff and this year is no exception. While the announcement is tinged with sadness there is also a great deal of excitement and pride in knowing that our staff will take the skills and knowledge gained at Mulgrave to both further their career and benefit other school communities.

I would like to express my thanks and gratitude to the following staff who have been exceptional teachers over many years and have positively impacted hundreds of students and families with their time, compassion, expertise, guidance and care. On behalf of the entire Mulgrave Primary community, we extend our thanks to:

Mrs Louise Jarvis  
Miss Le-Buu Ly  
Mrs Ali Hardaker  
Ms Michaela Muhandiramge  
Miss Catherine Slaughter  
Mrs Margie Billias

Finally, I would like to wish everyone a safe and enjoyable holiday season and a Merry Christmas to those who enjoy the day. My thanks to the entire school community for your support throughout 2023 and I look forward to an exciting year ahead in 2024.

*Stuart Hattwell*  
Acting Principal

The graphic features a red Christmas ornament with a white snowflake design on the left, with musical notes flowing from it. Several gold stars are scattered around the text. The text 'MPS Christmas Carols' is written in a green, frosty, outlined font. Below this, the date 'Wednesday 13th December' is in large red font, followed by 'Carols Start from 5.30pm onwards' and '(Food & canteen available from 5pm)' in red. The location 'To be held in the courtyard' is in green, and the activities 'Singing, Sausage sizzle, drinks, Freddos & Zooper Doopers and other goodies.' and 'See you all there!!' are in red.

# 10 TIPS FOR SURVIVING SCHOOL HOLIDAYS

While school holidays are a welcome break from the busyness of school routines, there is never a break from parenting. The following tips will help you have fun and connect with your kids so you make the most of the school holidays:

## 1. Plan

- Get your kids involved in making a list of activities that they would like to do
- Plan for good and bad weather
- Schedule downtime and time-out as well as time for one-on-one and family group activities

## 2. The best things in life are free

- Make sure the list includes plenty of free activities such as picnics, bike rides, trips to the beach, the local library and the great outdoors

## 3. Boredom is good

- Unstructured time and time away from electronic devices is good for young minds

## 4. Use opportunities to teach new skills and self-reliance

- Not having the pressure to rush out the door in the morning can allow for kids to develop new skills such as getting their own breakfast and lunch, taking the dog for a walk or going to the shops by themselves.

## 5. Ask for help

- Don't be afraid to ask for help to share the load. For example, asking friends or family to help care for children or to provide assistance in other ways.

## 6. Accept that things may not always go to plan

- Even the best made plans may need to be discarded at the last minute due to unforeseen events such as weather, illness or accidents. Whilst stressful, these unforeseen events often teach us and our kids valuable life lessons and may even become the source of family bonding or stories down the track.

## 7. Don't forget self-care

- Look after yourself and take time out to relax, even if it's half an hour whilst you have a cuppa and read a book. Remember, happy and relaxed parents make for happy children.

## 8. Support and company

- Having a support system can be crucial to any parent. It also gives parents the opportunity to interact with other parents whilst giving the kids a bit of play time.

## 9. Consider your child's mental health and wellbeing

- Whilst it may be a family tradition to go on an annual family holiday or attend a family dinner, maybe your teenager is too depressed or your child with ADHD will be labelled by judgemental relatives. Consider if it's really worth maintaining the tradition when it may be at the cost of mental health and wellbeing.

## 10. Holiday connections help us the rest of the year

- School holidays provide unique opportunities to connect with, listen to and get to know your kids. Use the time to spend one-on-one time with each family member.

Parent Line can also provide over the phone support throughout the holiday period if you need some extra help. Our counsellors are here for you seven days a week, 9am to 9pm weekdays and 4pm to 9pm weekends (closed public holidays). **Call 132289**

And this will be my last newsletter as my time at MPS has come to an end.

I'd like to thank you all for the opportunity to serve this wonderful school community over the last nine years and wish you all the very best for the upcoming holidays and the New Year.

May it be a safe and happy one.

Love well, laugh often and enjoy your precious children.

*Ali*

### A message from your Coordinator

Firstly, a reminder for the upcoming pupil-free day on the 14th of December. We will be providing a full-day program with exciting activities. Please join us for a fun-filled day! For booking go to [campaustralia.com.au](http://campaustralia.com.au) or the parent portal.

We would like to extend our congratulations to Graduates Nitasha, Brooke, Amelia and James! It has been an honour to be a part of your primary years of education and building a trustworthy relationship where we have seen you learn and grow. We wish all the best for your bright future!

Over the past couple of weeks, the children have been engaged in several interesting experiences! Olive and Ella's Lego mermaid house looked amazing with a variety of features. Max, James, Ian, Vincent, Taze, and Ansh used foam blocks to create a play area that was perfect for solving floor puzzles. The friendship bracelets made by Ally, Ana, Arthur, and Madeline were incredibly vibrant and pretty. Lizzy, Simon, Nathaniel, Zion, and Andrei learned to make a catapult to take the challenge of launching the balls. Natasha, James, Ian, and Zyra baked crunchy butter cookies and felt proud to share them with others. Hugo and Zyra worked together to solve world floor puzzles. Stacey made Ethan's 9th birthday extra special by helping with chocolate banana cake baking!

Rocketeers XI Summer holiday program is just around the corner, it's jam-packed with fantastic excursions, incursions, projects, and missions! For bookings and details on the daily program guide please visit [campaustralia.com.au](http://campaustralia.com.au) Hurry, places are limited!

We wish you all a very Merry Christmas and a Happy New Year in 2024!  
Hope to see you all in the new year.  
Have a safe and happy holiday!
