

Thursday 27th August 2026

TERM 3 WEEK 7

## KEY DATES 2026

### August

Thurs 27th - VSSS Mass Choir & Dance Rehearsal  
Thurs 27th - District Athletics - Gr 5 & 6  
Fri 28th - VSSS Mass Choir & Dance Dress Rehearsal  
29th - VSSS Mass Choir & Dance Show at Rod Laver

### September

Tues 1st - Kids in Space Showcase - Select Students  
Thurs 3rd - Father's Day Stall & Breakfast  
Fri 4th - CURRICULUM DAY - No Students Required  
Wed 9th - The School of Play - Wellbeing - Gr 5 & 6  
Wed 9th - Dress in GREEN DAY - Gold Coin Donation  
Fri 18th - Footy Dress Up Day - Team colours!  
Fri 18th - LAST DAY OF TERM 3 - 2.30pm Dismissal

### October

Mon 5th - TERM 4 COMMENCES

Thurs 8th - World of Maths Incursion - Grades P-4  
Fri 9th - World of Maths Incursion - Grades 5 & 6

Father's Day Stall and Breakfast  
Thursday 4th September

Pre Order breakfast via Qkr! only  
Orders close 1pm on Monday 31st August

## DATES AND TIMES TO REMEMBER:

### TERM DATES 2026

Term 1 - Tues 27th Jan - Thur 2nd April  
Term 2 - Mon 20th April - Fri 26th June  
Term 3 - Mon 13th July - Fri 18th Sept  
Term 4 - Mon 5th Oct - Fri 18th Dec

### CURRICULUM DAYS 2026

Tuesday 27th January  
Friday 5th June  
Friday 4th September  
Monday 2nd November

### PROFESSIONAL PRACTICE DAYS 2026

Tuesday 15th December (TBC)

### PUBLIC HOLIDAYS 2026

Monday 9th March - Labour Day  
Friday 3rd April - Good Friday  
Sunday 5th April - Easter Sunday  
Saturday 25th April - Anzac Day  
Monday 8th June - King's Birthday  
Friday 25th September - AFL Grand Final  
Tuesday 3rd November Melbourne Cup

### TIMETABLE

|                 |                                                       |
|-----------------|-------------------------------------------------------|
| Commence        | 8.58 Line-up Bell-Music<br>9am 2nd Bell - Roll Marked |
| Recess          | 11.00 - 11.30am                                       |
| Lunch           | 1.40 - 2.30pm                                         |
| School Finishes | 3.30pm                                                |

## Message From The Principal

### Book Week

Book Week has been a lot of fun so far and it all began on Monday with our book character parade. Our students really got into the spirit of things and looked amazing, with such a huge variety of characters. Book Week is all about celebrating reading and throughout the week our students have had many opportunities to do so, including visiting the Book Fair, our visit from author Vikki Conley and the various literature activities that each class has had the opportunity to participate in. It has been wonderful to see the enjoyment and excitement of our students as they have embraced the week. A reminder though, reading is critical to ensure good life outcomes. That's why we ask that our students read every night as part of their homework, but also hopefully enjoyment. The difference between reading daily and not at all is estimated to be around 4 million words per year for primary school students. That matters. It is one of the reasons we are one of the few schools these days with a committed library space. We were determined to make the library the centre of the school and I'm sure you'll agree that what we have been able to build is a first-class facility that supports that ethos. Finally, we encourage all of our families to make time for reading, be that parents reading a bedtime story or children finding peace and quiet whilst curled up with a good book. It's worth it.

### School Enrolments 2027

Offers for enrolments at MPS went out a couple of weeks ago and we encourage parents who have not yet confirmed to do so as soon as possible, so that we may be able to begin planning for next year. If you know of families who are considering a move to MPS in 2027, please ask them to contact the school and arrange a visit, as for the first time in a long time, we no longer have restrictions on our enrolments, in part to the expanded capacity of the school thanks to the new Library and STEM Centre.

### New Automatic Gate

By now parents will have noticed that the new automatic gate to the staff carpark is operational. There have been a few hold ups along the way, however it should be right to go from here on in. School Council has opted to install the gate to improve student safety at drop off and pick up times in particular, and to secure the school from unwanted vehicles at other times. The gate will open for before school care in the morning and automatically close at 8:30am each morning before re-opening around 9:30am. The gate will again close at 2:30pm before re-opening at 3:45pm. This will allow parents at before and after school care to continue to have access to the car park, but will prevent students from walking through at peak times. The gates will also be closed overnight and on Saturdays. The gate will be open on Sundays for the Farmers Market and close at 4pm. Staff are able to open the gate at other times should it be necessary.

School is dismissed at 3:30pm and we ask that your children are collected by 3:40pm, at which time we will begin to close gates around the school. If you cannot pick up your child/ren by this time, please make arrangements with Camp Australia for their care.

## VSSS

This week many of our students will be participating in the Victorian State School Spectacular at John Cain Arena. Students have been hard at work rehearsing for the big show and will have their final dress rehearsals today and tomorrow. On Saturday, students participating need to be at MPS by 9:45am for a 10am bus departure. The bus will not be waiting if a student is late, so please make sure your child is on time. We hope all of our VSSS students have a fantastic show and look forward to hearing about their successes next week. I would also like to take the opportunity to thank Mrs Bush, Mrs Newnham, Miss Harrison and Miss Wright for all of their hard work, not to mention giving up significant time to bring the performances to life.

## Toilet Etiquette

Parents, we need your help. Despite our best efforts, our toilets are not being used appropriately. Time and time again, students are deliberately placing items in toilets that don't belong there. This week we had a tennis ball, last week an apple, and so on and so on. Students are also not using the toilets properly or are not managing to clean themselves properly. It is essential that primary school children are toilet trained. This includes knowing how to sit on a toilet and keeping the facilities tidy for the comfort of others. Another important factor is the waste of toilet paper and the cleaner's time in having to sort out the additional mess. I would ask parents to have a chat with their child/ren to make sure they are doing the right thing at school. We understand that from time to time, accidents happen, but unfortunately what we are seeing is disrespect for the school. Hopefully we can see an improvement in the coming days and weeks.

## Parent Opinion Survey

Our school is conducting the annual Parent / Carer Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage and appreciate your participation. Last year we only had 7 families complete the survey. Whilst we regard that as a sign of overall satisfaction and are grateful, it doesn't really give us much to go on in terms of where to next from a parent perspective. As such, we would greatly appreciate a strong parent response this year.

Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

The Parent / Carer Opinion Survey will be open online from **Monday 17th August to Friday 18th September 2026**.

All families are invited to participate, please refer to the XUNO post from Tuesday 18th August. If you require the information again, please email the office at [mulgrave.ps@education.vic.gov.au](mailto:mulgrave.ps@education.vic.gov.au).

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones.

The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese. Resources are also available in additional languages to assist parents / carers who speak a language other than English at home. Please reach out to the school directly for survey guides in your language. Please speak to our office staff if you would like more information.

## 2027 Parent Requests and Grades

It's that time of the year where we extend the offer to parents to put in any requests they might like for 2027. Attached to this newsletter is the 2027 Parent Request form. I would ask that if you would like to make a request, that the form be completed and emailed to me by **Friday September 18th at 4pm**. Please be aware that whilst we make every effort to meet as many requests as possible, sometimes competing requests make it impossible to meet them all. As most families would recall, we will announce our 2027 grades approximately 3 weeks prior to the end of the school year. During this time, students will participate in a transition process to settle into their new classes. We have found that this has been an excellent model and that children settle very well if given the opportunity.

### *What factors do we consider when we make grades?*

When we make grades we consider things like: Academic capabilities / friendships / students behaviour. We want to ensure that grades have an even spread of boys and girls.

Every year, we start by asking students to identify at least three 'friends' they might like to have in their grade for the next year. When we say 'friend', we mean someone who they would work with well, not always their best friend. Students have ample time and opportunity to be with their best friend, outside of school hours. Importantly we don't guarantee these 'three' requests, where possible they will get at least one of their 'friend' requests.

Sometimes not getting requests upsets students and their families. Invariably however, we find that students meet new friends (in their new grade) that they wouldn't have met if we hadn't encouraged mixing the grades, across their years at school. So this is a deliberate strategy that supports students building their friendship groups across the years. It is important to note that often, the list of three friends can change completely by the time the grades are finalised and students will claim they don't have any friends, when in fact they have students that they had requested. As I have said previously, primary school is about learning to make new friends!

#### *Who makes the grades?*

- Classroom Teaching Staff and Specialist Teachers all contribute to making the grades. We create a spreadsheet that helps us manage all the data we input, including wellbeing, academic and behaviour; as well as previous parent requests (which are not guaranteed for the following years and must be requested each year).

The Principal Class decide on the final grades. As a rule, we never make changes after the grades have been made. **So please email me your request by Friday September 18<sup>th</sup>** via [charles.spicer@education.vic.gov.au](mailto:charles.spicer@education.vic.gov.au).

#### *Can parents choose teachers?*

- The short answer is, no.

#### *What can parents request?*

- That their child might not be with another student as there may have been a past incident or negative history. This will be discussed with the Principal Team and considered on a case by case basis. Depending on the reasons and ease of accommodation, may or may not be approved.
- They can notify the school of any additional academic needs your child may have that require the school to explore additional support structures.

### **VPA Conference**

I will be attending the Victorian Principal's Association (VPA) Annual Conference in Geelong on Wednesday 3<sup>rd</sup> to 5<sup>th</sup> of September. The theme for this 3-day event is, Leading with Connection & Purpose. These conferences present principals with a fantastic opportunity to learn and share new concepts that will help drive whole school improvement.

### **Father's Day Breakfast and Stall - Thursday September 3<sup>rd</sup>**

Father's Day is just over a week away so we would like to invite all fathers to a special breakfast in their honour.

The PFA will be putting on a spread from 8am and we hope to see as many dad's as possible on the day. **Pre orders taken via the Qkr app only. Orders close Monday 31st August.** We will also be running our annual Father's Day stall later in the day. There will be lots of gifts available for dad, so boys and girls should have a think about what dad would really like this Father's day. I would also like to thank and acknowledge the PFA for organising both the breakfast and the stall.

### **Pupil Free Curriculum Day – Friday 4<sup>th</sup> September**

The school will be closed on Friday next week as staff undertake professional learning off site. Our focus will be on Wellbeing, with a particular focus on building relationships to enable collaboration and improve student outcomes.

### **Art Show**

A reminder to save the date for the 2026 Art Show, which will be held on Wednesday, October 14, 2026, from 5:00 pm to 7:30 pm.

*Charles Spicer*

Principal

## TERM 3 WEEK 6 STUDENT AWARDS 2026

| Class  | Name        | Category   | Reason                                                                                                                                                                                                                                                                                                        |
|--------|-------------|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6M     | Eva L       | Motivation | For being a committed student who always tries her best in every area of school - in the classroom, in the playground and in your role as School Captain. Eva, you are thoughtful, kind and a wonderful role model to everyone around you. Keep being you, because you bring so much joy to those around you! |
|        | Jeswyn S    | Motivation | For making positive choices and working hard in all your subject areas. Jeswyn, when you put your mind to something you can achieve great things! I love seeing you make an effort to stay focused and not be distracted by others around you. Keep up the fantastic work!                                    |
| 6HD    | Anastasia T | Literacy   | For working hard in her narrative writing hook and orientation. Anastasia is such a hardworking and kind student. We think you are a star! Keep up the great work!                                                                                                                                            |
| 6G     | Alicia W    | Motivation | For being a motivated learner that always tries her best. You worked so hard throughout the Kids in Space Project and should be so proud of what you accomplished!                                                                                                                                            |
|        | Aleseia R   | Motivation | For demonstrating a great work ethic and for making more frequent contributions to class discussions. Keep working hard and staying engaged!                                                                                                                                                                  |
| 5CD    | Alexandra P | Literacy   | For thinking deeply about our mentor text and making incredible text connections                                                                                                                                                                                                                              |
|        | Melina R    | Literacy   | For thinking deeply about our mentor text and making incredible text connections                                                                                                                                                                                                                              |
| 5K     | Anthony B   | Literacy   | For his excellent dedication to his Reading and Writing.                                                                                                                                                                                                                                                      |
| 3/4 JH | Cleo F      | Motivation | For consistently showing enthusiasm, determination and a positive attitude towards learning. It is great to see you always working hard and striving to do your very best.                                                                                                                                    |
| 3/4 W  | Cooper T    | Motivation | For always being motivated to learn by being an active participant in class discussions and bringing enthusiasm to the classroom.                                                                                                                                                                             |
|        | Angelo M    | Literacy   | For his fantastic effort in his reading responses when inferring the mood of short films.                                                                                                                                                                                                                     |
| 3/4K   | Shanzeh K   | Literacy   | For making a great effort at editing your imaginative recount. Well done!                                                                                                                                                                                                                                     |
|        | Stacey P    | Literacy   | For utilising a variety of figurative language in your imaginative recount. Well done!                                                                                                                                                                                                                        |
| 3/4 M  | Harlow N    | Motivation | For being an excellent leader in 3/4M, taking the initiative to help others and upholding classroom expectations.                                                                                                                                                                                             |
|        | Alex K      | Literacy   | For working hard to include different literary devices in his narrative writing. Keep up the great work!                                                                                                                                                                                                      |
| 3/4 G  | Jake L      | Literacy   | For his detailed and descriptive imaginative recount. It was fantastic to see your ideas come together using 'Show Don't Tell'. Keep up the amazing work, Jake!                                                                                                                                               |
| 2TR    | Cecilia P   | Motivation | Working hard to demonstrate our classroom expectations by listening and showing kindness.                                                                                                                                                                                                                     |
| 2NP    | Noah C      | Numeracy   | Persisting in Numeracy to develop her understanding of division and sharing – great job Nef!                                                                                                                                                                                                                  |
|        | Sophia S    | Numeracy   | For making great improvements in his understanding of multiplication. Amazing effort Noah!                                                                                                                                                                                                                    |
| 2H     | Maleya B    | Motivation | For working hard to develop her understanding of multiplication. You're a superstar Fia!                                                                                                                                                                                                                      |
| 1BL    | Abhay H     | Motivation | For always representing the MPS values in and outside of the classroom and encouraging others to do the same. Keep it up!                                                                                                                                                                                     |
| 1K     | Ayana V     | Literacy   | For showing great improvement with his phonics and bringing great energy to our classroom discussions.                                                                                                                                                                                                        |

## Celebrating Father's Day in After School Care!

4 September

Book now

Dear Families

I hope everyone is keeping well and staying warm during this wintry weather! Firstly, please note that the Mulgrave Primary school will have a Pupil Free Day on Friday, 4<sup>th</sup> of September. We will be offering a full-day session from 7:00am to 6:00pm. The theme for the day is Big Art, with a range of exciting and creative experiences planned throughout the day. Please join us for fulfilled day. For Booking, please go to parent portal at [campaustralia.com.au](http://campaustralia.com.au)

Last week was filled with engaging learning experiences as we celebrated National Science Week. The children participated enthusiastically in a variety of hands-on science activities, including slime making, catapult experiments, Spiral Galaxy art, chlorophyll painting, Rainbow Lightning Art, Travelling Watercolour Through Flowers and Balloon Rocket Shoot-Outs. These experiences encouraged curiosity, critical thinking, creativity and an understanding of scientific concepts through play and exploration. Our Art and craft experiences, including Newspaper Owls, Green Heart Animals, Moving Elephants and Nature Craft Echidnas, provided opportunities for children to develop their creativity and explore a range of materials and techniques. Besides all these fantastic experiences children also played team games such as Poison Ball, Pillow Races, Indoor Soccer and 11th Match supported physical development, cooperation and social skills. Cooking experiences were also a highlight, with children preparing quesadillas, Mac N cheese, vegetable rice, vegetable noodles and Italian-style scones while developing skills in following recipes, measuring, pouring and mixing ingredients.

Our Rocketeers Spring Holiday Program is now ready for bookings! This spring, we have an exciting program filled with fun, adventure and learning through play. Children can look forward to AFL, Ninja and movie excursions, along with a variety of engaging incursions and hands-on projects designed to keep them active, creative and connected. We look forward to welcoming your children for another exciting holiday program! For detailed program please check attached flyer or go to [campaustralia.com.au](http://campaustralia.com.au) for more information and bookings.

A Friendly reminder to notify us by SMS or phone call on 0404397 389 if your child will not be attending Before and after school care. This helps us ensure all children are accounted for and saves time checking their attendance. Thank you for your support!

### Activities coming up

- Father's Day activities
- Dad's choc chip cookies
- Incursion: Mini Roos Soccer clinic

### Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.
